

Detroit Boy, 6, Slain By Fiend; Body In Ash Heap

East Lansing, Mich., April 21 (AP)—Michigan state police at noon today began questioning an unemotional 19-year-old Detroit suspect, Theodore Hilles, in last night's brutal slaying of six-year-old George (Peanuts) Counter.

Hilles was picked up by state troopers Wallace Teddy and John Mahon of the Brighton, Mich., post about 50 miles west of Detroit, nine hours after the Counter boy's charred body was found on an ash heap in a Detroit garage.

Absconding Chicago Cashier Found Slain

Body Dumped In Ditch At Wheaton; \$11,658 Gone

Chicago, April 21 (AP)—Rolf O. Dregg, 35, who disappeared last Friday from his job as currency exchange cashier along with \$11,658 he was accused of stealing, was found stabbed to death yesterday.

Dregg's body was found in a ditch near suburban Wheaton by a highway worker. His mouth was taped and his hands bound behind his back. Coroner Samuel K. Lewis of Du Page county said Dregg had been killed with a large knife or bayonetlike weapon.

Lewis estimated Dregg had been dead between 12 and 24 hours when his body was found. He said the slaying apparently was committed elsewhere and the body dumped at the roadside.

Dregg's disappearance was first reported last Friday by Abraham Greenfield, president of the Regal currency exchange, 780 Milwaukee avenue, where he had been employed as a cashier for three years.

Greenfield said he had gone to the exchange at 5 p. m., an hour before closing time, and found it locked. He said more than \$2,000 in bills was in the open safe and \$11,658 was missing. On Monday Greenfield obtained a warrant for Dregg's arrest on a charge of larceny by bailer.

Police Capt. Joseph Mooney said none of Dregg's personal effects at his room at 788 Milwaukee avenue was missing. Mooney said Dregg, formerly of Elbow Lake, Minn., graduated from Luther college of Decorah, Ia., and before entering the Navy in 1940, was a school teacher at Gallup, N. M. He said Dregg's sister, Mrs. Margarette Carter, who identified the body, told him her brother was married to Marian Teslow of Decorah before entering the Navy and was divorced in 1945. She said she talked to her brother the day before he disappeared.

Long Illness Fatal To Nestor Johnson, Ice Skate Inventor

Phelps, Wis., April 21 (AP)—Funeral services will be held here tomorrow for Nestor Johnson, inventor of the tubular ice skate who died here Wednesday after a long illness. He was 82.

Johnson, once known as the "King of the Blades," retired in 1917 to a farm on Big Twin Lake near Phelps. He was a tool and die maker in Chicago when he discovered his idea for the skate which became famous under the name "Johnson Racer."

Michigan's One-Man Grand Jury System Headed For Revision

Lansing, April 21 (AP)—Michigan's unique one-man grand jury system is almost sure to end the day well on the road to drastic revision.

A vote was scheduled in the House of Representatives on a proposal to junk the system altogether.

On the calendar for debate was a proposal to supplant it with a three-man grand jury and hedge its powers with strict limitations.

The repeal is backed by outright enemies of the system, and the revision by its friends.

Its enemies claim that the system can not be amended to prevent the concentration of dictatorial powers in a small group. They advocate return of the common law 23-man grand jury for the special investigation of crime.

The House Judiciary committee reported the revision bill to the floor yesterday. It proposes to answer the power concentration criticism by requiring that two more judges sit on the grand jury. It is believed the other two will check one judge who might seek to abuse his power.

To meet criticism that grand jurors use their position to advance their political fortunes, the revision proposes that in grand juries lasting more than 30 days, the grand juror, special prosecutor, county prosecutor and attorney general be forbidden for two years to accept any other political office.

Critics of the present system have denounced use of subpoenas as warrants of arrest. The revision would require that only those "reasonably believed to have knowledge of crime" could be subpoenaed. In addition, grand jurors would be required to take testimony as soon as witnesses are brought in.

Members hinted that the House roads committee had deviated too far from the federation's recommendations in amending the bill. The committee proposed a two-

cent a gallon gas tax increase compared to the federation's 1.3 cent increase and shifted all license tax increases from passenger cars to trucks, increasing them substantially.

While the House appeared thus to favor the federation's idea of highway changes, the Senate was hostile, judging by debate.

Chief stumbling block was the proposal to force townships to match county expenditures on township roads up to the amount the townships receive in state grants and can raise by highway taxes.

Indicating the township officials' lobby had been at work, a score of senators blasted that idea as injuring the townships.

Senator George N. Higgins (R-Ferndale) charged the bill would take away from the townships all the sales tax diversion, liquor license and intangible tax money they now receive from the state.

Senator John B. Martin, Jr. (R-Grand Rapids) said townships close to big cities needed all their present funds for existing services.

Higgins charged that passage of the highway "reform" bills would force the legislature later to approve the increased taxes.

"The people are sick and tired of taxes," he said. "The state and federal government now are taking \$200,000,000 a year in taxes from cars."

The bill would write a new distribution formula for highway funds, 44 per cent going to the state, 37 per cent to the counties and 19 per cent to the cities. The allocation now is 43.8 per cent to the state, 37.7 per cent to the counties and 13.5 per cent to the cities.

Lansing, April 21 (AP)—Prospects for increased highway taxes and "reform" of highway administration in Michigan dimmed in the Senate Wednesday.

The chamber pounded the first of a series of bills submitted by the Michigan Good Roads Federation after an 18-months' survey of highway needs. Then the bill and three companion measures were laid aside until Monday night.

Meanwhile in the House, a bill increasing gasoline and weight (license) taxes was shelved without comment until next Wednesday.

Members hinted that the House roads committee had deviated too far from the federation's recommendations in amending the bill. The committee proposed a two-

cent a gallon gas tax increase compared to the federation's 1.3 cent increase and shifted all license tax increases from passenger cars to trucks, increasing them substantially.

Lansing, April 21 (AP)—Secretary of State Acheson provided for senators today a look at thus far secret American plans for rearming the North Atlantic nations.

Chairman Connally (D-Tex) asked the Senate Foreign Relations committee to meet at 2:30 p. m. (EST) to receive the secretary's report.

Acheson was reported ready to disclose the proposed draft of the arms-for-Europe program along with an estimate of how much it would cost.

Unofficial reports are the cost would run about \$1,250,000,000 in the first year. But this estimate has not been confirmed by the state department.

It appears certain all secrecy will be lifted by the time for Foreign Relations committee starts public hearings on the Atlantic treaty. The hearings are expected to start early next month.

This treaty, signed here April 4, will become effective for the U. S. when ratified by two-thirds of the Senate. It will bind the United States, Canada and 10 other nations into a defensive alliance to resist any aggression.

The arms program is designed to bolster the military defenses of the pact members.

Senator Elmer R. Porter (R-Blissfield), chairman of the finance committee, indicated his group was in better shape but that they could use a little more time.

Speaker Victor A. Knox of the House said the two committees planned to discuss the problem together. He added he had not given up all hope of the May 20 adjournment.

Kim Sigler Delays Decision On Taking Over Bribery Case

Mt. Clemens, April 21 (AP)—Former Governor Kim Sigler today looked over grand jury evidence against one-time State Senator Ivan A. Johnston, who soon will go on trial on a bribery charge.

However, Sigler delayed a decision on whether to accept the invitation of Circuit Judge Paul Cash of Alma and act as special prosecutor in the case.

Arriving here after a Florida vacation, the ex-governor was accompanied by Victor Anderson, legal aide during his administration which ended in December. Sigler said Anderson will be his assistant if he accepts the prosecution of the Johnston case.

The white-haired Sigler, discounted reports that he and Johnston were bitter political enemies. "That's a lot of malarky," he declared, referring to stories of his feud with Johnston.

State College Name Change Bill Buried

Lansing, April 21 (AP)—A bill to change the name of Michigan State College to Michigan State University was quietly buried in a committee by the House yesterday.

Rep. Harold Hungerford (R-Lansing), sponsor, moved to send the bill back to committee. He said privately there was no demand for the change on the college campus and that strong opposition was developing to it in the House.

Michigan troops were lined up in the snow and machine-gunned to death.

Charges have been made that American prosecutors used brutal and illegal methods to get confessions from the Germans. Out of the 73 convicted, six remain under death sentence.

Lt. Col. Burton F. Ellis who headed the prosecution acknowledged using "mock trials" in getting confessions but he denied there was any brutality.

But James J. Bailey of Pittsburgh, Pa., has informed the committee the methods used to get the confessions were such that he "could stomach it no longer."

Bailey said he was a member of an army "team" which collected evidence and confessions from the accused Germans.

ANA PROMOTED—Ana Pauker, 56, already foreign minister, moved up another notch in the Communist-dominated Romanian government to become second vice premier. Her elevation to the third highest post in Romania consolidates her position as one of the most important Communists in Balkans.

Tax On Used Cars Debated At Lansing

Democrats Oppose Bill Passed In Senate

Lansing, April 21 (AP)—Republicans and Democrats in the House were scheduled to line up again today on opposite sides of a proposed new three per cent use tax on used cars.

Opposing the measure, Democrats succeeded in prolonging debate yesterday so that an adjournment motion brought automatic postponement of further discussion.

Approved in the Senate, the measure is designed to bring in some \$200,000,000 additional revenue. It would supplant the sales tax charged when used cars are sold by dealers and cover both dealer and private sales.

Democrats attacked it as "squeezing to death the ordinary taxpayer" and creating schools and local units out of part of the sales tax diversion.

It was defended as a plug in a sales tax leak. Rep. G. Kirk Haley (R-Bad Axe) said that most of the money realized would be new funds which would not effect the total sales tax diversion.

The House voted to give all legislators protection under the Workmen's Compensation law. If the Senate approves, legislators would be eligible to collect for injuries going to or coming from a session. The cost to the state would be some \$190 a year, sponsors said. The proposal could not become effective, however, until 1951 when a new legislature is seated.

Quake Comes Again In Central Chile; Death Toll Near 41

Santiago, Chile, April 21 (AP)—Another earthquake shook South Central Chile today. A severe shock in that region Tuesday night killed 41 persons, according to interior ministry reports.

A telephone call to President Gabriel Gonzalez Videla's office from the town of Angol said the new quake was one of "great violence." It hit the town at 10:54 a. m. (9:54 a. m. EST), the governor of the province, of which Angol is the capital, said the official death list of the Tuesday night quake dwindled as panic subsided and communications were restored.

Blaze Evicts 100 In Indiana Harbor; Loss Near \$100,000

East Chicago, Ind., April 21 (AP)—A pre-dawn tenement fire in the crowded Indiana Harbor section of East Chicago early today routed 100 persons and caused damage estimated at \$100,000.

One fireman and one tenant suffered minor injuries.

Firemen carried five tenants to safety down ladders. All East Chicago fire equipment was sent to the scene and trucks from nearby Hammond stood by at the East Chicago stations during the blaze in the three-story building.

Flying Slab Kills Owner of Sawmill

Traverse City, Mich., April 22 (AP)—Wade J. Morgan, 54, owner of a portable sawmill, was killed in a freak accident when he was struck by a flying piece of timber.

Mill employees said a board just cut from a log became caught in the saw and was hurled against Morgan.

Spring Boom Appears To Be Overdue

By NORMAN WALKER

Washington, April 21 (AP)—The spring season's expected boost for the nation's economy is overdue.

That showed clear today from a new batch of government reports.

They showed fresh declines in non-farm employment, in factory workers' earnings and working hours, in business loans and in estimated farm receipts.

One government official, commissioner Ewan Clague of the Bureau of Labor Statistics, said ordinarily these figures should have showed an uptrend this time of the year. He said maybe it's just delayed action, due in part to a late Easter.

However, another top official, Secretary of the Treasury Snyder, sounded an optimistic note to a New York audience last night. He said latest employment figures actually are higher than a year ago and purchasing power still is high.

"Right now," said Snyder, "in the pockets of the American people, we have \$200,000,000 of liquid assets."

No Depression Factors

Snyder said the present economic picture lacks the elements that "brought on depression and depression crises in the past."

CITY COUNCIL MEETS TONIGHT

Will Hear Reports On Complaints

The Escanaba city council in regular meeting tonight, will hear reports on the chimney fire at First avenue north and 11th street and on the Provo trespass complaint.

A second reading of the amendment to the civil service ordinance and estimates and plans for alley paving in the first alley south of Ludington street between South 13th and 14th streets are scheduled for the council meeting.

New business to be considered by the council includes consideration of the sale of lot 4 of block 38 in the I. Stephenson company second addition; consideration of expenditures for Fourth of July fireworks; and appointment to the Delta County Tourist council.

Lost Since Tuesday, Tennessee Girl, 7, Found in Mounains

Marion, Tenn., April 21 (AP)—A missing seven-year-old girl was found alive in the rugged Cumberland mountains today.

Little blonde Tuesday Moore disappeared Tuesday. She was found less than a mile from her home by a miner—one of about 400 who had quit their pits to search all night in near freezing temperatures.

Wanda wore only light clothing. She can be heard to speak only a few feet away because of a speech defect.

The child was found by Miner Rud Huddleston. Her father, Joe Moore, is a miner.

"She has some scratches and bruising on the legs, but otherwise she apparently is unhurt," Dr. F. H. Rogers said.

Huddleston said he found the girl about 15 feet from a mountain pathway.

"I had passed the spot by when I suddenly heard a rustling noise," he said. "I went back to see what it was and saw the girl."

Annual Delta Road Tour Is Under Way

The annual inspection of Delta county roads by the roads and bridges committee of the county board of supervisors is being concluded today with a tour of the eastern section of the county under the direction of William J. Karas, road superintendent-engineer.

Yesterday the roads and bridges committee toured county highways in the western portion of the county. The inspection is held annually each spring to further acquaint the roads and bridges committee with road conditions and programs for road improvement.

Swimmers in the 14th Century wore special cramps rings which they thought would ward off stomach cramps.

BRIEFLY TOLD

VA Officials Here—Dr. Roland Schwab and C. W. Mischler, assistant chief medical officer and chief medical administrative officer of the regional Veterans Administration office, Detroit, are visiting the Upper Peninsula VA office in Escanaba.

Classes Resumed—Mrs. Jeanette LeCain today announced that her classes in ballroom and gymnastics for married women will be resumed tonight at eight o'clock in the Junior High school gymnasium. The class, sponsored by the city recreation department, is still open for new members. The 30 who have already enrolled have just begun their routine for the recreation department's dance revue this spring. Classes meet every Thursday at 8.

Child Chokes—The city fire department and police squad car were called to the Arthur Beauvais residence, No. 26 in the Veterans Housing project, at 6:25 last night to assist Christine Beauvais, 16 months old, who had choked on food. The mother revived the child before the city units arrived. X-rays revealed that the child had not swallowed a pin and medal, as had been feared.

Locates Here—Clay P. Meyers of Los Angeles has arrived here to take over the agency of the Franklin Life Insurance company. A native of Lyngby, Denmark, Meyers came to this country a year and half ago. He was employed for five years with the Copeland newspaper, Berkeley, Calif., before coming to America. He resides at 212 First avenue south.

region is willing to make peace on Red terms it will be accepted. The broadcast said also that if the government is still in Nanking when Red forces surround the capital Nationalist leaders will be given another opportunity to sign a peace agreement with the Communists. Such an agreement would amount to outright surrender.

The Communist communique said the order to fire was issued because the Nanking government had rejected the peace proposal formulated in Peiping.

The government stated that even if it had signed, Red peace proposals "narrow minded attitude and oppressive spirit" would have been unacceptable to both the National army and the people. The reply charged that the entire proposed agreement "smacks of Communist military control of the entire nation."

Government officials were making preparations to evacuate from all points along the threatened 650 mile Yanktze line. Acting President Li ordered the ministry of communications to prepare for the evacuation of all officials from Nanking.

All but six of the 40 odd U. S. Marines here to guard the American embassy have been sent to Shanghai in a move to prevent incidents should the Communists overrun Nanking.

BRITAIN PROTESTS

London, April 21 (AP)—Britain was reported unofficially today to have protested to the Chinese Communists against the shelling of British ships on the Yangtze river.

The admiralty, confirming reports that the 10,000-ton cruiser London and the sloop Black Swan were the latest targets of shore batteries, said it had no information on casualties. In Nanking, a British Navy spokesman said there were an undetermined number of dead and about 50 seriously wounded aboard the two ships.

The admiralty did not say who fired on the London, which is reported with her eight-inch guns. A British statement issued in Nanking yesterday blamed Chinese Communists for shelling of the sloop Amethyst and the destroyer Consort. That attack killed 27 seamen and wounded 23.

The London and the Black Swan were attempting to reach the 1,400-ton Amethyst when they were fired on, the admiralty said. It added that reinforcements are on the way. It said the warships Belfast and Constance are en route to Shanghai "in case their services may also be required."

Judge Gillis Gets Lecture And Fine In Disorderly Case

Pontiac, Mich., April 21 (AP)—Detroit Recorder's Judge Joseph A. Gillis today pleaded guilty to a charge of creating a disturbance in an Oakland county tavern and was ordered to pay a \$1 fine.

The Detroit jurist also received a lecture from a rural justice of the peace on "assinine" behavior. The fine, plus \$25 costs, was imposed by Justice of the Peace Bert A. Lockwood of West Bloomfield township.

Judge Gillis was arrested at 1:30 a. m. on April 9 after a ruckus in a tavern at Round Lake, west of Pontiac. Sheriff's deputies were called by the wife of the proprietor, Mrs. Ann LeGault, who said Gillis refused to leave after she ordered him out. At the Oakland county jail he was given a physical examination by Deputy Coroner J. C. Prevette, who reported the judge had been drinking.

BOY STRUCK BY CAR IS INJURED

9-Year-Old Youth Runs In Front Of Auto

Gladstone—Harold Corwin Jr., 9-year-old son of Mr. and Mrs. Harold Corwin, 411 Delta avenue, is in St. Francis hospital with undetermined injuries incurred about 4:15 o'clock Wednesday afternoon when he ran in front of an auto driven by John Norton sr., of Gladstone, 803 Dakota ave., at the intersection of Minnesota avenue and Ninth street.

Witnesses told Officer Carroll Johnson who investigated the accident that the youth ran diagonally across the intersection from the southwest to the northeast, narrowly missing being struck by a southbound auto, and directly into the path of the Norton auto. Speed of the Norton auto was estimated at only 8 to 10 miles per hour and the machine was brought to a halt within its own length.

A physician was called and the youth removed to St. Francis hospital by ambulance. He suffered a head injury and concussion but no apparent fracture. X-rays were to be taken today.

Identity of the boy could not be determined until several hours after the accident. He was at first erroneously identified as a son of the James McDonalds of Third avenue north.

Smog Experiment At Donora Goes Into Final Stage

Donora, Pa., April 21 (AP)—The government's four-day smog experiment went into its final stage today.

Strong winds yesterday swept industrial fumes away from Donora and Webster across the Monongahela river with the result that few new complaints of "smog illness" were reported.

In the test, the U. S. public health service attempted to duplicate industrial conditions that existed last October when 22 persons died after a combination of smoke and fog shrouded the valley for four days.

The American Steel & Wire Company's zinc plant, closed since last October, was re-opened in connection with the experiment.

More than 90 persons complained of coughing, wheezing and shortness of breath on the second day of the test but yesterday principally because of the brisk clearing breeze—only two new complaints were registered.

13,000 Women Pin Artists in WIBC

Columbus, O., April 21 (AP)—Thirteen thousand women bowlers will converge on Columbus in the next 41 days. And more than half of them will leave with prize money.

That's the nice part about knocking down pins in the Women's International Bowling Congress. "They have a pretty fair chance of coming up with a prize—even if it's only one of the small ones."

The WIBC secretary says she thinks it's a god idea to pass those prizes around among as many women bowlers as possible. "We stretch out the prize list," Mrs. Emma Phalar said, "and we have more women go home happy. Women aren't like the men in having. Our members want to have a prize—even if it's only for \$3."

Spartans Favored to Take Irish in Track

East Lansing, April 21 (AP)—Michigan State will be favored to beat Notre Dame in their dual track meet here Saturday on the strength of the Spartans' recent 61-61 tie with Southern California.

But MSC Coach Karl A. Schlademant warns that the meet won't be a one-sided affair. "The Irish have some exceptional runners and they will be a lot stronger outdoors than they were indoors this winter," Schlademant said.

The competition is expected to be especially hot in the high hurdles and the 220 yard dash.

In the hurdles, Notre Dame has Bill Fleming who won the Texas relay event in the excellent time of :14.1. Pitted against him will be MSC's Horace Smith of Jackson, who took the event in California with a :14.3 time.

OBITUARY

EDGAR G. PETERSON
Services for Edgar G. Peterson, well known Escanaba businessman, who died Tuesday night in Rochester, Minn., will be held at the Anderson funeral home at 3:30 tomorrow afternoon with the Rev. John Anderson of Covenant Evangelical Mission church officiating. Burial will be in Lakeview cemetery. The body will be in state at Anderson's, beginning at 3 this afternoon.

Ziegler Receives Heaviest Vote In April 4 Election

Lansing, April 21 (AP)—Charles M. Ziegler, the Republican state highway commissioner on whom the Democrats concentrated their heaviest fire in the spring campaign, rolled up the biggest vote in the April 4 election, the state board of canvassers reported today.

The board said Ziegler polled 489,972 votes, a majority of 103,274 over Democrat John H. McCarthy of Mt. Clemens, who had 381,698.

Dr. Lee M. Thurston, making his first election run for the state superintendent of public instruction, nosed out Ziegler by a few hundred votes for the biggest majority on the Republican ticket. Thurston had 478,744 to 370,373 for E. Burr Sherwood, Stambaugh Democrat.

The canvass showed there were 884,366 votes cast in the spring election.

A feature of the official canvass was the fact that Morton A. Eden of Detroit, a Progressive party candidate on the non-partisan ballot for state supreme court justice, polled more than 100,000 votes.

Other Progressive party candidates polled an average of about 7,500 votes. The Prohibition party, the other minority party on the ballot, achieved between 5,000 and 7,300 votes for candidate.

The canvass confirmed completely the unofficial count of the election.

Three Conservation Lame Ducks Await Action From Lansing

Lansing, April 20 (AP)—Speculation over the probable successors of three "lame duck" members was the main topic of the conservation commission meeting today. Only routine business was up for enactment.

Still serving although their terms expired April 1, are Harold Titus of Traverse City, Harold J. Richards of Capitan and W. A. Butler of Holland. Commission members said they expected the governor to name new appointees within the next two weeks.

At its informal meeting yesterday, the commission gave tentative approval to the authorization of sale of 211,000 acres of state owned land for wildcat gas and oil leases. The total acreage, scattered through more than a dozen counties, represent the largest lot to be offered at a single time in commission history.

The commission was told that a single bidder would make an offer for all but about 30,000 acres of the total.

Robert Peter was the first may-or of Georgetown, D. C.

des and the 220 yard dash. In the hurdles, Notre Dame has Bill Fleming who won the Texas relay event in the excellent time of :14.1. Pitted against him will be MSC's Horace Smith of Jackson, who took the event in California with a :14.3 time.

Supervisors Boost Civic Center Plans Of St. Clair County

Port Huron, Mich., April 21 (AP)—Plans for a civic center here were given a boost today as the St. Clair county board of supervisors decided to spend \$1,500,000 for a new county building.

A bond issue proposal to finance the new structure will be submitted to the voters in the near future, the board said. If approved, work on the building will get underway this summer.

The building that housed the city and county offices was badly damaged by fire last February. Some time afterwards, plans were set forth for a civic center.

Port Huron's city commission decided recently not to build a new city hall immediately. However, its long range plans include construction of such a building in the proposed civic center. The burned city-county building has been repaired, and most offices have moved back into its quarters.

U. P. Gas Jobbers, Dealers To Convene At Sherman Tonight

Jobbers and associate dealers in the Upper Peninsula of the Theisen-Clemens company, Cities Service gasoline distributors, will hold a dinner-meeting in the Sherman hotel at 6:30 this evening.

Out-of-town officials attending will be L. A. Dollman, Detroit; Ed Stauffacher, Thomas Jenkins, of Chicago, and G. Clemens Theisen, P. J. McMullen, Grand Hess and A. C. Puthriss of St. Joseph's Mich.

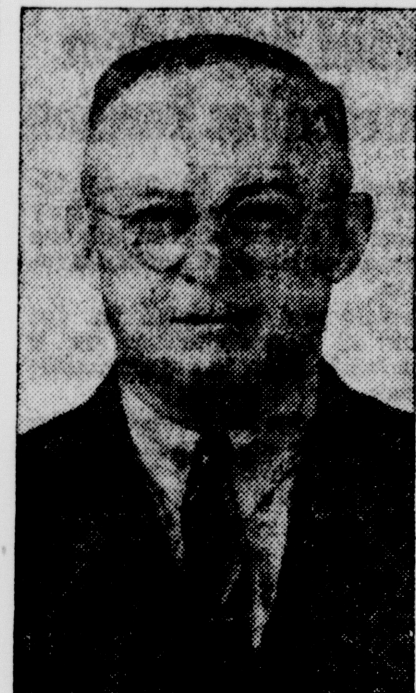

Fire Kills Mother With Baby In Arms

Detroit, April 21 (AP)—A young mother and the child she held clutched in her arms were burned to death last night.

Dead were Mrs. Daisy Lee Adams, 22, and her three-year-old son, William. The father, William, 37, rushed from the basement apartment with a second child, Raymond, six months, after a stove tipped over and spewed burning oil across the floor. He was unable to re-enter.

The word money is believed to be derived from "moneta," an attribute of the Roman goddess Juno, because the ancient Roman mint was established in the temple of Juno Moneta.

Moras Appointed Chief Dispatcher By C&NW Railway

Roger J. Moras, 513 South 11th street, has been promoted to chief train dispatcher on the Peninsula division of the Chicago and North Western railway. He succeeds Ernest T. Johnson, who decided to return to his former duties as train dispatcher.

Mr. Moras was born in Escanaba and began work for the C&NW as towerman at Tesch, Mich., in 1913, when he became telegrapher operator at Larch, Mich. He served as operator at various locations and relief agent. He was agent at Republic, Mich., from 1916 until 1918 and entered military service on June 1, 1918, in World War One and was honorably discharged December 26, 1918.

On return from military service Mr. Moras became telegrapher at Hermansville until October 31, 1932 when he was promoted to car distributor in the dispatcher's office here and on June 17, 1937 was promoted to train dispatcher, a position he held until October 16, 1942 when he was made agent at Escanaba. On July 1, 1947 he decided to return as train dispatcher, the position he held when promoted to chief train dispatcher.

Classified Ads cost little but do a big job.

Complaint Of Box Company Dismissed

Washington, D. C., April (WNS)—Complaint of the Marinette and Menominee Box Company against the Chicago and North Western Railway company in the matter of publishing rates has been dismissed by the Interstate Commerce Commission, ICC announced.

The commission said that upon consideration of the proceeding and of the stipulation by counsel that the complaint may be dismissed without prejudice, the railway having agreed to publish joint through rates sought by the complainant.

Sitdown Continues By 10 Coal Miners 500 Feet In Ground

Lansford, Pa., April 21 (AP)—Ten hard coal miners remained on sitdown strike 500 feet underground today as 6,000 fellow diggers were asked to remain away from work to lend them support.

Two thousand miners walked off their jobs in support of the sitdown yesterday.

Last night the United Mine Workers Panther Valley committee announced 4,000 other diggers in the Coaldale and Tamaqua district pits of the Lehigh Navigation Coal Co. pits were asked to stay home today.

The sitdown was started on Tuesday by 13 miners but three tired members of the group returned to the surface yesterday.

The strike is the third sitdown stemming from a long-standing dispute over the amount of pay given miners who leave the pits before the scheduled end of the work day. Under the UMW-Anthraxite Operators agreement, an early quitting time is permitted when working conditions in the mines are considered "bad."

MICHIGAN ART EXHIBIT OPENS

Display 100 Paintings At Jr. High School

The first local showing of "Michigan on Canvas," a collection of 100 paintings of the Michigan scene, will be tonight between 7 and 9 p. m. at Escanaba Junior high school gymnasium.

The paintings made by ten outstanding artists will be displayed there each day through April 28 from 2 to 5 p. m., and 7 to 9 p. m., including Sunday. School groups are invited to view the exhibit during the morning hours.

Sponsors of the exhibit here are a group of persons from Delta, Menominee and Schoolcraft counties. The paintings portray Michigan people at work and play, and include a number of Upper Peninsula scenes. The artists were commissioned to put "Michigan on Canvas" by the J. L. Hudson company of Detroit.

Members of the sponsoring committee for the Escanaba exhibit include: Mayor Robert E. Lemire, Mrs. H. D. Brackett, Mrs. T. M. Cassidy, Lawrence Girard, Hugh Grow, Fred Johnson, W. L. Kennedy, Margaret Kranstover, John A. Lemmer, H. P. Lindsay, Carl G. Nelson, M. R. Oslund, Miss Alice Potter, Mrs. Victor Powers, Hagle Quarnstrom, Mrs. Stack Smith, O. V. Thatcher and Mrs. Nancy Thomas of Escanaba.

Leo Brunelle, Fred Derocher, Bertil Erickson, A. E. Johnson, Ray Raymond and Warren E. Scarr, of Bark River; William Deparo and Alex Weigandt, of Cooks; Gerald Casey, Henry Lang, Tom Peterson, Nester Seaman, Carl Van Remortel, Fred Van Remortel and Henry Voltz, of Fayette; Joseph Des Rochers, Edward LaMotte, Mrs. Maud LaMotte, Mrs. Leona LaValle, Jean Stewart and F. G. Tebo, of Garden; Mayor Walter Lied, T. H. Brewer, Wallace Cameron, Mrs. O. S. Hult, Miss Flora LaRoche, Mrs. A. C. Peterson, Mrs. Bernard Prusak, Mrs. Helmer Skogquist and J. R. Van Arnam of Gladstone; Algot Erickson of Harris.

Mayor Walter Burns, Mrs. C. F. Anderson, A. F. Hall, Mrs. J. J. Herbert, J. R. Lowell, Walter Nelson, Mrs. Dorothy M. Shipman,

E. J. Thompson and Mrs. Russell Watson, of Manistique; Walter Manntie of Maple Ridge Township; Mayor James M. Kehoe, Mr. and Mrs. William Caley, Norman L. Haupt, Mrs. Ida K. Hundley, Ray Laufenberg, Mr. and Mrs. V. A. Lundgren, C. E. MacDonald, Miss Mary F. Meinberg, Miss Margaret Spies and Jean Worth of Menominee; Julius Hansen, village president, Mrs. Jean V. Clarke, William Kell, Jr., Alfred H. Lawrence, Mrs. Tim Loeffler and William J. Sharon, of Powers-Spalding; Paul Bowers, Harry Buchman, Mrs. Joseph Casimir, Mrs. James Jay and Mrs. Kenneth Scott, of Rapid River; Frank Campbell, Mrs. Uno Toika and G. E. Weingartner of Rock; William Roberge of Wilson.

Hearing On Auto Part Rates Will Be Held By ICC

Washington, D. C. (WNS)—A hearing has been ordered by the Interstate Commerce Commission on new individual and joint rates, regulations and practices affecting such rates and charges on transportation of automobile parts be-

BRIEFLY TOLD

Taken To Prison—Calvin and Robert Willis, Gladstone, and Joseph Goodwill, Chemical Plant location, today were taken to state branch prison at Marquette to serve terms of two to 15 years each for breaking and entering. They were taken to Marquette by Sheriff William E. Miron.

Townsend Club—Escanaba Townsend club No. 1 will hold a regular meeting at 8 Friday night at the Escanaba city hall.

Enlist Aid—City police have requested that anyone seeing persons painting auto licenses on cars notify the police immediately. The past two days several complaints

tween Detroit to Iron Mountain, Mich., ICC announced. Time and place for the hearing has not been announced.

The new schedules filed make reductions in rates for transportation of automobile parts and various other articles. Operation of rates contained in the schedules filed by carriers was suspended until after the hearing.

have been made, and many car licenses have been smeared with paint.

Articles Stolen—Jim Rouman of 407 Ogden avenue has reported to city police that the glove compartment of his car was broken into last night and a flashlight and other articles were taken.

Dog Licenses—Dog licenses are for sale at the police station and are due at once. All dogs must carry a license.

Rifle Club—The Escanaba Rifle and Pistol club will meet at the indoor range in the recreation center, 330 S. 14th street. There will be shooting.

Mrs. Torval E. Strom, who spent the past month in Winter Park, and other places of interest in Florida, visiting with her mother and her brother, is spending a week in Chicago and plans to return to Escanaba about May 2. Mrs. Strom spent the earlier part of the winter season in Texas, and neighboring southern states and in Old Mexico.

Sunspots which become more frequent and less frequent in 11 year cycles started a declining cycle in 1947.

Broader Farm Program For Fair

COUNTY AGRICULTURAL AGENTS of the Upper Peninsula and members of the U. P. State Fair board will meet together today and tomorrow to discuss ways and means of improving and expanding agricultural exhibits at the fair.

The prime purpose of the U. P. State Fair is to provide the means by which farmers can exhibit their products and also to demonstrate the latest in farm methods and farm machinery. The joint meeting of county agents and fair board officials is designed to discuss and solve specific problems. Out of it undoubtedly will come some suggestions that will expand the farmers' interest in the fair and thereby also improve the fair itself.

The Michigan State College extension workers, all of whom are also key workers in the state fair program, are meeting this afternoon to compose their recommendations to the fair board. This evening and tomorrow the county agents will meet with the fair board to present recommendations and suggestions.

It has long been the desire of the board to develop a broader interest in the fair from farm people throughout the Upper Peninsula. Today's meeting may be a broad step towards that objective.

More Respect Needed For Property Rights

WHY IS THERE a lack of respect by some people for the property of others?

In Escanaba the past few days, the following incidents have occurred: a series of street lights covering seven consecutive blocks were destroyed, either by rocks or by air rifle pellets; someone dumped a can of syrup into the gasoline tank of a local man's automobile; two cases of canned soup, some peanuts and candy bars were stolen from a local truck, parked in the owner's garage; the license plates on more than two dozen automobiles were disfigured with paint; a bicycle rack, wide enough to block the entire street, was moved from the Barr school and laid across South 13th street as a barrier to automobile traffic; numerous complaints of window peepers are received at the police station virtually every evening; etc., etc., etc.

Some of these depredations are extremely vicious. They can hardly be waved aside as childish pranks. The total of them indicates a frightening trend towards character breakdown.

These incidents call attention to the obligation of parents to check up on their youngsters who may be prowling the streets at night. It is a job, incidentally, that can be accomplished only by parents, and not by police, or by the schools or the churches, or social welfare agencies.

U. S. Forest Service Reduces Plantings

A CUTBACK in the tree plantings in the national forests of the Upper Peninsula for the 1949 season has been announced by the U. S. Forest Service. Last year 5,139,000 trees were planted in the national forests of the peninsula, but only 4,000,000 will be planted this year.

Plenty of seedling stock is obtainable this year but funds are lacking for planting on a scale as large as last year. This condition is unfortunate because it had been hoped that the reforestation program would be expanded, rather than decreased, in 1949.

There is encouragement in the report that plenty of seedling stock is available, however. Private interests, including many farmers, have been carrying on their own reforestation programs. This policy deserves encouragement because it is recognized that the reforestation of private lands is at least as important, if not moreso, as the reforestation of public lands.

There is an added dividend wherever reforestation is developed as a continuing program. It is the dividend of forest conservation. People who plant seedlings also are a bit more careful in preventing forest waste.

Food Handlers Course Planned Here

IF DELTA COUNTY food and drink establishments are sincerely interested in improving their sanitation standards—and we believe that they are—most of the approximately 500 food and drink handlers in the county will attend the sanitation school planned for them May 3-4.

Operators of the establishments will meet May 2 at which time the purposes of the food handlers school will be explained in detail. Employers who have had 70 to 80 per cent of their employees attend the schools will receive a window placard at the conclusion of the three-day event, which is sponsored by the county health department and the Junior Chamber of Commerce.

Restaurants, taverns, etc., where food or drink is served, have more than a moral

obligation to maintain high levels of sanitation. They have a legal responsibility, as well.

The food sanitation courses have been conducted with great success elsewhere. The reason for food handling regulations are explained. Latest methods in sanitation are outlined, such as correct methods of sterilizing dishes, control of flies and insects, proper care of garbage, etc.

Highest levels of sanitation are important in the dollars and cents column of restaurant operation, particularly in this tourist area. Cleanliness is more important even than quality of food.

NAILS FROM THE WHITE HOUSE

(Philadelphia Bulletin)

There is a squabble in Washington over the repairing and rebuilding of the White House. It makes a difference, apparently, whether the historic edifice is being repaired or rebuilt. The senate approved the spending of \$5,400,000 as an item in a deficiency bill, regarding the expenditure as "a repair to an existing public work." But another bill proposes to set up a special commission to boss the job. One of its sponsors insists that it is "a new project," with exception of the roof, so that the senate was out of order in appropriating the money.

This is pretty much a private fight, and work in the White House will soon be started and eventually paid for. The commission will be appointed, and its administrative expenses are estimated in advance as \$50,000. Among its duties will be the disposal of historic debris to be torn out of the White House. Collectors are already clamoring for nails, hunks of wood, hardware and other souvenirs. The commission will decide who gets them.

An opportunity to save the public's money has been overlooked. Left to their own devices, souvenir seekers could probably tear the White House down and carry it away in three weeks or less. Then a new home for the president could be built from scratch, perhaps for much less than \$5,400,000.

THE COURTS AS A BULWARK

(Milwaukee Journal)

Sometimes Americans do not appreciate the resoluteness of their courts and how they stand up against attempts to create propaganda and sympathy for the wrongdoer.

Take the case of Gearhart Eisler. He was duly convicted of concealing his Communist ties when he sought a permit to leave the United States. He was also convicted of contempt of congress when he refused to be sworn as a witness before the house un-American activities committee.

Then began the campaign of propaganda to show how innocent he was of everything alleged. Money was raised, especially among those soft soaped "liberals" who play with the Communists.

But the courts ground on, and now the United States court of appeals upholds the conviction on the charge of concealing Communist ties. The propaganda got nowhere.

But it isn't just cases like this that are involved. There is seldom an important crime case that doesn't have its propaganda angles. The fact that our courts stand as a bulwark against this propaganda makes them one of the most important parts of our democracy.

PROPERTY DAMAGE BY CHILDREN

(Milwaukee Journal)

There is now a bill before the legislature which would permit civic actions against the parents of children who maliciously destroy property. The bill provides that, when a child under 16 willfully causes damages, there may be suit for recovery of the damages—up to \$200.

Surely there can be no objection by anybody to having this provision in the law. Under the children's code, a child cannot be held responsible for his acts. Under the present statutes, neither can his parents. This leaves property owners who may suffer damages absolutely without recourse. It lets parents neglect the training of their children with impunity.

Bill 664-A should be passed at the earliest possible moment.

GUN TOTER TO JAIL

(Milwaukee Journal)

Judge Harvey L. Neelan took an effective step toward disarming Milwaukeeans when he sent a gun toter to the house of correction for 90 days.

This man was stopped for questioning in the course of a police investigation of a crime committed in the neighborhood. He had no connection with the crime but the police found that he was carrying a .38 caliber loaded revolver.

This isn't the wild west, and let's break up the idea that it is. Jail sentences will help do the job.

A JAB AT SENATOR BRICKER

(The Toledo Blade)

Not having heard a great deal from Senator Bricker during these last two years on such major issues as the Marshall plan, the Taft-Hartley act, or the civil rights program, we attributed his silence to the fact that he usually reserves his eloquence for mother, home and Ohio State. We had practically forgotten that he could be counted on to speak up for poor, down-trodden landlords, too.

Take My Word For It

Frank Colby

ABOUT THE WORD "SUIT"

Let's talk about the important word suit. There is an impression abroad, especially among radio people and speech teachers, that the "u" of suit must have the long (yoo) sound, as "syoat." They believe, quite erroneously, that the "oo" sound is grossly in error, and that you'll never go to heaven if you say "soot."

Now "syoat" is a difficult pronunciation. You cannot say it without conscious physi-

Greece Is U. S. Problem Child

BY MARQUIS CHILDS

Washington—In the midst of the complicated and delicate business of presenting to congress the plea of the Atlantic pact nations for arms, the state department must cope with a problem child insistently demanding attention. That problem child is Greece.

From the British foreign office the other day came a hint that military aid to the Greek government in its war with the Communist rebels should be increased. This was

Childs

not likely to soften the congress into granting a larger appropriation for Greece. It will be the third request for funds since President Truman proclaimed the Truman doctrine.

Behind the British hint was a memorandum which Foreign Minister Ernest Bevin left with Secretary of State Dean Acheson during his recent visit. The memorandum was drafted by Field Marshal Sir William Slim, chief of the imperial general staff, following a visit to Athens.

Slim recommended increases in the Greek government's striking force, with emphasis on commando-type operations. But he did not go nearly so far as Maj. Gen. E. E. Down, chief of the British military mission in Greece.

URGED ARMS INCREASE

The U. S. joint chiefs of staff were surprised to receive six months ago a memorandum from Down recommending, in effect, that the number of Greek divisions be increased from eight to 15 with American military aid. It was estimated that support for such an army would have cost this country approximately \$450,000,000 a year.

The British have, of course, a direct stake in Greece apart from long time diplomatic-commercial ties. At U. S. insistence, 5,000 British troops were left behind as a garrison force following the U. S. aid program, and they are still there.

The war against the rebels is at present going better than at any time during the past two and a half years. Confidential maps show that considerable areas have been mopped up, including most of the Peloponnese, where at one time guerrilla bands roved almost a twill.

There are now about 250,000 men in the Greek military establishment, 200,000 in the army. This is, of course, far more than could be sustained by the Greeks without aid from the U. S.

For the current fiscal year Greece is getting roughly \$360,000,000 in American aid. Of this, more than \$275,000,000 will go for strictly military spending. That is a far higher proportion than originally contemplated. A large proportion of the 7,000,000 Greeks live on the borderline of hunger, with nearly 10 per cent refugees from rebel or former rebel areas.

SEE SOME IMPROVEMENT

Greek specialists in the state department profess to see some political improvement. But it is difficult for the outside looking on to detect it.

Before he left Athens to come here to testify on the need for more Greek aid, Ambassador Henry Grady cautioned against a new cabinet crisis. But he had hardly reached New York by air before powerful cabinet factions had forced out Spyros Markezinis, minister without portfolio.

Markezinis was considered one of the hopefuls and given U. S. backing. He was accused by other cabinet members of speculating in gold coverings.

European aid officials working in Athens under Grady are said to feel that the ambassador should take a much firmer hand in guiding the Greek government. But this goes against state department policy, which is to keep hands off.

It seems to me, however, that there is one point at which U. S. policy-makers cannot sit supinely by. In New York Herbert Evatt, U. N. assembly president, is making another effort to bring Greece and her northern neighbors, Albania, Yugoslavia and Bulgaria, together to end intervention across the border.

Evatt made a similar attempt in Paris last winter. He was indignant when, as it seemed to him, Green Foreign Minister Constantin Tsaldaris stubbornly refused to make any concession of any kind. Tsaldaris seemed to feel that as long as U. S. aid continued he could stand pat.

Fortunately, the Communists have made serious blunders in Greece. If that were not true, our own errors would doubtless have caught up with us long since.

cal effort; and too often it degenerates into either "see-OOT" or "shoot." And listeners dislike both heartily, believe me.

The truth is that in unaffected American speech the "yoo" sound hardly ever occurs after "s" and "z." The natural pronunciation of suit is soot; resume is rezoom; Susan is SOO-z'n, etc.

Don't take my word for it. Here are the listings of our newer, more realistic dictionaries:

Soot is the only pronunciation in The American College Dictionary and Words: The New Dictionary; and soot is the first choice of Thorndike Century and Kenyon and Knott's Pronouncing Dictionary.

Webster's lists only syoot, but explains in the pronunciation section that the "yoo" sound is also in accepted use "by cultivated speakers in both England and America."

Dr. John S. Kenyon, in Kenyon and Knott's Pronouncing Dictionary (one of our soundest authorities, states: "It appears certain that words like assume are prevalently pronounced with 'yoo.' (My phonetics). The K. and K. first choice pronunciation for assume is: uh-SOOM; for suit; soot; for super: SOO-per; for Susan: SOO-z'n, etc.

Now of course I am not suggesting that the "yoo" sound in such words is wrong. But I am pointing out what our best speech authorities now admit—that "yoo" in such words is no longer the better pronunciation; that the prevailing pronunciations in cultured American speech have the "oo" sound.

Playing the Big Ace

Good Evening

By Clint Dunathan

CONTESTS—People who listen to the radio like to listen to radio contests, say the sponsors of radio contest programs. Although the majority of the listeners do not participate in the contests, except vicariously, they like to learn of some poor and other-wise unknown person—perhaps like themselves—who wins \$23,000 in prizes and a whisker from the mustache of Joe Stalin.

Dunathan

As in all fields of entertainment there is no satisfying everybody, as radio program directors know to their sorrow. Some people like contests, others like popular music, another group wants more symphonies and classical music, while still fewer ask for elevating discussions of current events. In addition, radio must try to provide information for the farmer, the union member, the businessman and industrialist, the sportsman, and the women.

THE BLACKOUT—But the followers of radio contests are the most avid of listeners. The story is told of the wife in a neighboring city who faithfully tuned in a contest program on a certain night each week.

Last week the program was interrupted by interference—familiar sputtering sounds the wife recognized as emanating from a faulty light fixture in the upstairs bathroom. Rushing to the bottom of the stairs, the wife called to her husband to turn out the bathroom light. He protested that he couldn't. He had just run the bath water and was prepared to dunk himself. The wife was equally vehement in demands that the light also be dunked.

The story ends with the wife contentedly listening to her favorite contest program and the husband bathing—in the glow of a flashlight.

HOPEFUL—Although the possibility is remote of winning a prize in a radio contest—or any other national contest for that matter—it does not discourage millions of people from entering them. One reason for this is the comparatively easy solution of the contest for those who apply themselves to the problem of identifying "the walking man," the "whispering woman," or the "mystery song." In the big contests, several million people know the answer in the final weeks of the contest. But it happens that the fortunate person who is called is unfortunately among the few who do not know the answer. This makes the millions who do know the answer groan at his stupidity and assures their continued listening.

Finally, in desperation, the contest clues become so broad that everybody in the U. S. knows the answer, assuring a winner. In a number of contests the answers have been published in the newspapers to help bring the contest to a close.

THE QUIZZERS—Another favorite radio program is the quiz, in which a selected group of contestants are asked questions. They are now so popular that it has become possible for listeners to identify certain "types" of contestants certain to appear before the microphone.

These characters, said to be selected at random from the

INTO THE PAST

Ten Years Ago

Munising—Charles A. Symon, local news reporter, will leave June 14 for an extended visit in Europe on a tandem bicycle. Miss Barbara Doolittle, his fiancée, to whom he will be married early in June, will accompany him. Symon, who will be gone two months, will write of his experiences for several newspapers.

Escanaba—Mr. and Mrs. Earl Faber are the parents of a daughter born April 10 in St. Francis hospital.

Escanaba—Miss Marge Ryan, who teaches school in Oak Park, Ill., is spending the week here at her home.

Twenty Years Ago

Escanaba—Francis L. Utley, of Escanaba is among 50 students of the University of Wisconsin elected to Phi Beta Kappa, honorary scholastic society. Utley is a senior in the college of letters and sciences.

Escanaba—Mr. and Mrs. John Johnson, 108 First avenue south, who were married April 24, 1879 in Sweden, will observe their 50th wedding anniversary with open house and a family reunion at their home, Wednesday. They have lived in Escanaba 50 years, coming here from Fayette where they settled in 1880.

Gladstone—The E. C. Pope, with a cargo of 207 automobiles, arrived from Detroit this morning. This is the largest shipment to arrive here, average loads being about 80 cars.

The (North Atlantic) Pact will help prevent war. Aggressor nations despise weakness and respect strength.—Canadian Governor General Viscount R. L. G. Alexander.

studio audience, fall into the following categories:

1—The giggling newlyweds; 2—The cackling old crone of 80 who wants to learn how to fly an airplane; 3—The wife whose husband is threatening to leave home because she keeps a trained seal in the bath tub; 4—The precocious child of either sex whose witty sallies cause the quizmaster to exclaim, "Say! Maybe you'd like to run this program!"

ABNORMAL—If the people who appear on quiz programs are a typical cross section of the American public, then God help America.

For not one normal, average, uninteresting, law-abiding, hard-working individual is ever selected for the honor. People who go to work in the morning, eat three meals a day, have no extreme desire to play tiddy-winks at the top of the Eiffel tower or get on a slow boat to China, have slight chance of appearing on radio quiz programs.

RACKETEERS—Almost as much of a fixture on quiz programs as the "characters" is the screamers in the audience.

These screamers, usually women, have the gift of expressing delighted excitement by loud, continued, and carefully timed screams. They are usually seated near, but not too near, the microphones. They are background. Their strident borders on the professional and is guaranteed to make the radio listener feel that people in the studio are having more fun than a barrel of monkeys.

Their services are much in demand and they are probably rewarded with free tickets to all the radio shows and throat lozenges to ease their aching vocal chords.

Roving Reporter

By Hal Boyle

New York, (P)—In a small hospital lecture room a dozen adults were earnestly trying to burp together.

"Come on, out with it now!" urged their teacher, a big genial, florid-faced man with a scar on his throat.

"Buh-buh-buh-uhrrrrp!" said the class.

"Fine, said the big man. "Now—buh-buh-buh-buh-buy!"

"Buhbuh-buh-buh-buy!"

"Good. Now—buh-buh-buh-boy! And put your body into it."

"Buh-buh-buh-boy!" chanted the class.

Each of the ten men and two women in the class had a scar on the throat. Each had survived an operation for cancer of the larynx—the late Damon Runyon's ailment. Each had lost his voice box.

One night a week they came to this class and struggled to learn to talk again. And they did it by first learning to burp.

"A burp is different from a belch," explained their teacher, Dan Meenan, a former Wall Street broker who also used to coach basketball at Columbia University.

"A belch is involuntary. It comes from the stomach. The burp is voluntary. It comes from the esophagus. You just have to make your gullet take the place of your voice box.

"Swallow some air. Then force it from your stomach up through your esophagus. Once you learn to make this burp sound, your tongue, teeth and lips can take it over. They can shape this one sound into any word you ever knew."

Most of the class were middle-aged or elderly. Cancer of the larynx rarely strikes young people. In the class were a truck driver, a factory worker, a white-haired Irish factory supervisor, a retired woman schoolteacher, a Tennessee housewife, a 64-year-old textile manufacturer.

One by one they got up and made progress reports.

"I have gone . . . back to work . . . on the same job I held . . . for 37 years," said a small elderly man who worked for a public utilities company. "I even use . . . the telephone . . . now."

A grinning salesman of ship supplies boasted:

"I'm selling again . . . just as before. Business is . . . good . . . too."

"But do you still practice your exercises?" demanded Meenan.

"I don't have to," the salesman defended himself. "I talk all day long . . . as it is."

85 Per Cent Cured

The class laughed like any group of schoolkids who have one over on the teacher. Meenan laughed with them.

The class ended by singing "East Side, West Side," together. They were led by the textile manufacturer, who only a few weeks before had been so depressed he refused to go to his business.

Afterward Meenan explained how he himself, after surviving a series of five throat operations, had become interested in teaching victims of cancer of the larynx to talk again.

"Anyone with courage and stick-to-it-iveness can do it," he said. "And most can go back to their old jobs. I've taught some 300 people. Among them is the head of a stock exchange firm, still active."

But there are only four classes of this kind in the country. There should be many more. Cancer of the larynx used to be almost 100 per cent fatal. Now, if they detect it early, they cure 85 per cent of the cases.

The Washington Merry-Go-Round

BY DREW PEARSON

Washington—It won't be announced officially, but the state department has taken a secret and highly significant step to try to stop the three-year-old civil war in French Indo-China.

Indo-China is a long way from the U. S. A., but in these days of global cold war, what happens there can influence the spread of Communism in the Philippines, the Malays and India.

Therefore, Ambassador Caffery, acting on careful instruction from Secretary of State Acheson, has told the French foreign office that the United States considers it absolutely necessary to stop this fighting in order to keep it from playing into the hands of the Communists.

Caffery said he was authorized to pledge the full support of the United States to French plans for creating an anti-Communist government in Indo-China headed by Bao Dai, the former emperor. The United States might even be willing to consider economic help to such a government if it kept out all Communists.

Note—Another reason why we are anxious to end this revolution is because we want the French to bring their army back from Indo-China to France to guard against a surprise attack from Russia. The French have between 100,000 and 200,000 troops in Indo-China and have sometimes been suffering 1,000 casualties a week.

THE LEGION'S NO. 1 LOBBYIST

Young Representative Olin Teague of Texas, decorated 11 times for bravery in the last war, took on a fresh battle recently with the No. 1 American Legion lobbyist.

Teague made the Legion's tough and skillful John Thomas Taylor eat his own words during his testimony in favor of the Rankin pension bill.

Taylor based his plea largely on "precedents" for pensions voted by earlier congresses.

"Just a minute," broke in Teague. "While we're on the subject of precedents, let me read from the witness's testimony on this same question when the house ways and means committee was holding hearings in 1930 on amendments to the veterans' adjusted compensation act of 1924."

Teague proceeded to quote a colloquy between Jack Garner of Texas, later vice president, and Taylor, then as now the Legion's legislative representative. Taylor admitted at that time that the 1924 bonus bill as amended would be a quitclaim against future pensions for World War I vets.

Pinned down by Garner as to whether the legislation would make future pensions unnecessary, Taylor replied, "No question about it."

When Teague finished reading the record, Legion lobbyist Taylor looked like the Washington monument had fallen on him.

"I just wanted to get that in the record for the benefit of colleagues who have asked me about it," commented Texas' Teague. "It doesn't mean I'm against caring for war vets who are in need."

Personal News

Mr. and Mrs. Walter Kostanko and family have returned to Detroit after an Easter holiday visit at the home of Mrs. Kostanko's parents, Mr. and Mrs. William LaCrosse.

Paul Fredrick, Robert Muther and Walter Johnson have returned from an Easter visit with relatives and friends in Milwaukee.

Miss Marilyn LaCrosse, R. N., is home on a week's vacation from her studies at Hines hospital, Hines, Ill.

Kathryn Perrin who spent the Easter vacation at the home of her parents, Mr. and Mrs. L. J. Perrin, 502 South 9th street, has returned to her studies at St. Catherine's in St. Paul.

Mrs. James D. Pryal is spending the day in Green Bay on business and Mrs. V. G. Kolb is visiting today in Menominee and Marinette with friends.

Mrs. Henry Nerbon, 716 First avenue south, has returned from a 10-day visit in Milwaukee with her sisters, and with her brother who is seriously ill and hospitalized in Wood General hospital. Enroute home she visited in Menominee and Marinette with friends.

Mrs. William Enshaw left this morning for Milwaukee and St. Paul for a visit with friends. She expects to be away two or three weeks.

Mr. and Mrs. Henry Knudsen of Gwinn left today for Chicago where Mr. Knudsen will spend several days on business, after visiting here briefly with Mrs. M. R. Way, at 605 South Ninth street. The Knudsen children, Karel and Harry, are staying here with Mrs. Way, their grandmother, while their parents are in Chicago.

Miss Dorothy Deloria, R. N., who has been caring for her father, Antone Deloria of Nahma, at St. Francis hospital, left today to return to Milwaukee.

Miss Mary McGuigan left today to return to her studies in Holy Family convent in Manitowish, Wis., following an Easter visit with her parents, Mr. and Mrs. Bruce McGuigan, Gladstone, Route One.

Captain R. G. Moll of Washington, D. C., and Mrs. Nettie Moll of Detroit returned today following a visit here with Dr. G. W. Moll.

Attorney Richard Baldwin and daughter, Nancy, motored from Chicago today and are guests of members of the Baldwin family. Attorney Baldwin is making the trip on business.

Mrs. Beulah Thompson and son, Wayne, 322 North 14th street, have returned from a ten-day stay in Lower Michigan during which they visited with relatives in Lansing and Stockbridge.

CHATHAM

Church Services

Chatham, Mich.—At 9 o'clock Sunday morning, April 24, Sunday school classes will be held at the Finnish Evangelical Lutheran Church of Eben. At 2 o'clock in the afternoon there will be Finnish services at 7:30 in the evening there will be a Luther League Fellowship meeting.

Plans are being made to present a Mothers' Day program. Mrs. George Levis is in charge.

At ten o'clock last Sunday, Wayne Kuisto, of Suomi college, Hancock, conducted both Finnish and English services there.

Rev. John Hamel of Marquette will conduct church services at the home of Mrs. Alice Cherry of Chatham beginning at seven o'clock, Monday evening April 25.

There will be no service at the National Lutheran church of Chatham on Sunday, April 24.

Rock River P. T. A. Supper

At seven o'clock Thursday evening, April 21, the Rock River P. T. A. will have a pot luck supper at the high school. Following the supper election of officers will be held and a program of movies will be shown. This is the regular April meeting.

Members in charge of the supper are: Mrs. Toivo Kallio, Chatham; Mrs. Elsie Norberg Ferguson,

Mrs. Helen Mattson, Sundell; Mrs. Vern Dunquist, Eben; Mrs. Harold Wallis, Forest Lake; Mrs. Ludvig Knaus, Trautvik.

Personals

Mr. and Mrs. Raymond Sandstrom, returned Sunday from the Mayo Clinic at Rochester.

Mr. and Mrs. Carl Christoffer-son and son Gordon, and daughter, Gunile, were guests of Mr. and Mrs. Paul Cayer of Trenay, Easter Sunday.

Mr. and Mrs. Sven Lindfors, accompanied by Mr. and Mrs. Aarre Paasio of Munising, left last Friday for a week's visit with their daughter, Mrs. Lloyd Miller of Cadillac.

A 4-H club meeting was held in the Experiment Station office, Monday evening, April 18, under the direction of Fred Bernhardt of Manistique, Alger-Schoolcraft 4-H agent.

Mr. and Mrs. Arthur Wolcott and daughters Cathy and Courtney returned Monday evening from a weekend visit with relatives in Lake City, Mich.

Celebrates 89th Birthday
Edward Pittsley of Chatham celebrated his 89th birthday at his home Sunday, April 17. Four generations of the Pittsley family were present.

There is no clashing of colors in Nature. No matter how many varieties of brilliant blossoms grow side by side, they always harmonize.

NOTE INCREASE IN MUCC CLAIMS

1315 Claims Filed In
Past Week

Information from Whitney R. Dixon, manager of the Michigan Unemployment Compensation office, revealed that claims for unemployment compensation have increased during the past two weeks.

Prior to these two most recent weeks, claims had shown a slight downward trend each week since about the first of March. However, during the weeks ending March 7 and 14 total claims increased about 50 each week.

Total claims filed during the week ending March 31 in the Escanaba office were 1227 of which 425 were GI claims. During week ending April 7, the total claims filed increased to 1279, of which 422 were GI claims. During the past week total claims filed increased to 1315 of which 407 were GI claims.

A gradual decrease has been noted in GI claims filed; however, the new and additional industrial claims filed more than compensated for the decrease in GI. New and additional claims filed remained at a fairly constant high level. During the week ending 3-31, there were 84; for week ending 4-7, 89; and week ending 4-14 86.

200 In Schoolcraft

Claims filed in Schoolcraft proper and the Rock itinerant point are responsible for most of the increase in the volume of claims. The Gladstone itinerant point has held at approximately the same figure for several weeks; the Manistique itinerant point decreased slightly during the past week.

The Rapid River load was practically cut in half when a large number of claimants returned to work in local employment. The Garden itinerant point has held at the same figure for a number of weeks. Of the total claims filed above, approximately 200 are Schoolcraft county claims and the rest are claims filed in Delta County.

Claims filed in Escanaba proper, and its itinerant points, are about evenly divided in the week ending 4-14, 676 were filed at the Escanaba office and 639 were filed at the itinerant points in Delta and Schoolcraft Counties. The Escanaba Office services five itinerant points including Manistique. Approximately one-half of the staff works at itinerant points on three days of the week.

\$23,698 Paid

Payments made during the week ending April 14 amounted to a total of \$10,815 in Escanaba, which consisted of \$6,292 on industrial claims and \$4,523 on GI. During the same week in Gladstone, total payments amounted to \$7,317 which consisted of \$5,497 in industrial claims and \$820 in GI claims. Payments made in Manistique during this same week were \$2,988 of which \$1,248 were industrial claims and \$1,740 were GI claims.

Payments made at the smaller itinerant points were as follows: Garden: Total—\$576; Industrial \$256; GI \$320. Rock: Total—\$576; Industrial \$336, GI, \$240. Rapid River: Total—\$1432; Industrial \$752, GI, \$680. Total payments made through the Escanaba office in Escanaba and its itinerant points amounted to \$23,698, a slight decrease from the high point in payments during the past three months. Of this figure \$15,-

GRAND MARAIS

Feel Earthquake

Grand Marais, Mich.,—Mr. and Mrs. Isadore Roberts of Portland, Ore., formerly of Escanaba and Grand Marais felt the earthquake that shook Washington and Oregon on the 13th.

They report it was frightening but none of them was hurt. It felt as though a strong wind was coming at their house from all sides, about to crush it to bits, the radio was out for a few seconds.

Mr. Roberts was eating lunch and thought someone was shaking the car until he saw the power lines rocking.

High buildings rocked considerably; walls cracked and old chimneys toppled.

Personals

Mr. and Mrs. Louie Roberts motored to Munising Easter Sunday to visit their daughter, Donna at the Brasier hospital. Donna had been in the hospital six weeks with a compression fracture of the vertebrae, resulting from a fall on the ice bergs. Donna met her folks in the hall, to their great surprise. They didn't know she was up. She returned home with her folks Sunday afternoon and really looks very well.

Charles Kahle and daughter, Maybell, of Milwaukee, are spending their Easter vacation at

381 were paid on industrial claims and \$8,323 on GI claims.

According to past experience in claims filing, there should be significant drop in the volume of claims filed from May 1 on, according to Dixon. During 1948 in the month of May, total claims filed dropped approximately one-half of the number filed in April. It is expected that the same decrease will show in May of this year, unless economic factors intervene.

their cottage on East Bay River. Mr. and Mrs. Francis Thomas and Dale, of Escanaba, visited Mr. and Mrs. Alex Niemi, and Mrs. Matilda Thomas and other relatives this weekend. Mrs. William Thomas is remaining to be with Mrs. Matilda Thomas, who is ill at her home here.

Sayre Ostrander took his daughter, Rhea, to Munising Saturday for another Fluorine treatment from the dentist.

Mrs. Claude Nugent and daughter Sheila Ann, of Ludington, are spending their spring vacation visiting Mrs. Elfreda Mulligan. Mrs. Nugent teaches school in Ludington.

Mrs. Stanley Wilcox and two children, Dorothy and Noreen of Germfask, and Arthur Barney and son Bernard of Sault Ste. Marie, spent the Easter weekend with their parents, Mr. and Mrs. Hector Barney. Bernard remained to spend his Easter vacation with his grandparents.

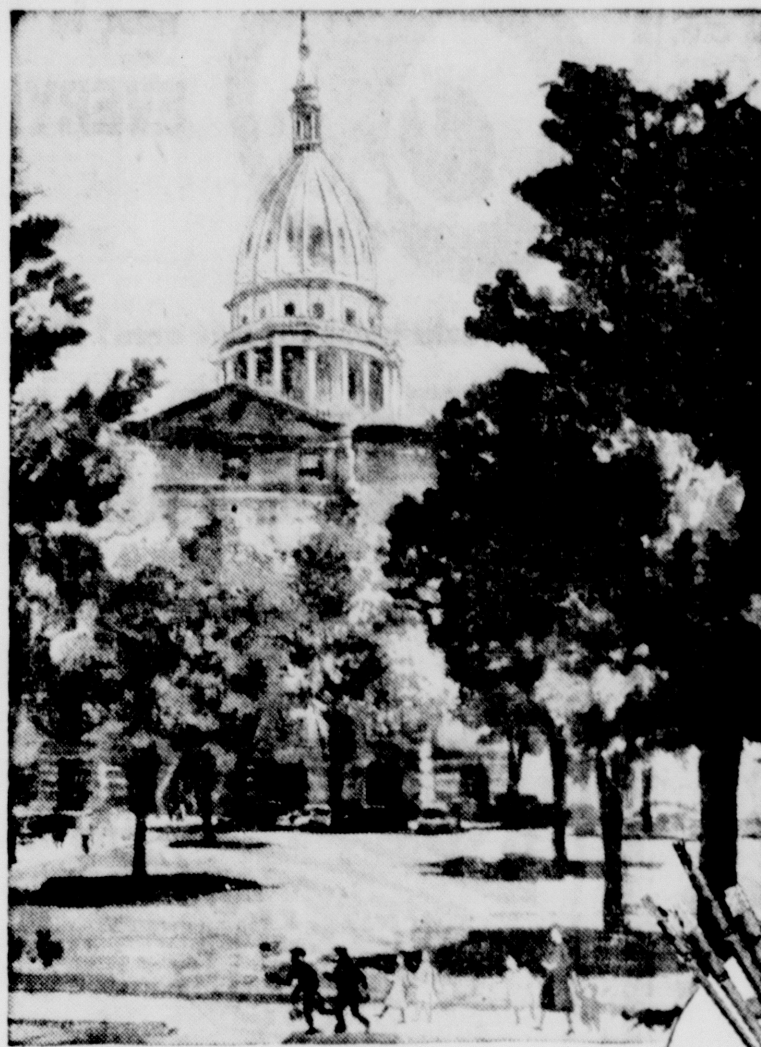

Mr. and Mrs. Lee Bush and daughters, Barbara and Lillian, left Wednesday for Detroit and Warren, where they are visiting friends and relatives.

George Sayen left Sunday for Marquette to be with his wife, who is a patient at St. Luke's hospital. Mrs. Sayen was to undergo an operation Monday. Their children, Arlene and Carol are staying at the home of Mr. and Mrs. John Yimaki.

Richard and Mary Ann Woods of Marquette spent the Easter weekend at the home of their parents, Mr. and Mrs. Herman Wood.

Mr. and Mrs. William Tuthill and daughter, Ruth of Grand Rapids spent Easter weekend visiting Isaac Smith and Mr. and Mrs. Andrew Soldenski.

Mr. and Mrs. Alfred Lundquist motored to Escanaba Saturday to bring their daughter Anna home for Easter. Anna is employed in Escanaba.

"Michigan on Canvas"

Thursday, April 21 -- 7 to 9 P. M.

Weekdays and Sunday: 2 to 5 P. M. and 7 to 9 P. M.

In October, 1946, The J. L. Hudson Company, through Associated American Artists, of New York City, commissioned ten of America's leading artists to do a series of paintings which would permanently record present-day life in Michigan. The ten artists selected were chosen by a committee of seven Michigan art museum directors. "Michigan on Canvas" had its premier showing at the Hudson store and is now on an extensive tour of the state. Practically every phase of life in Michigan has been interpreted by the artists and we hope that all who can will come in and enjoy the collection. Following its exhibition here, the collection will be shown in many other Michigan cities. There is no admission charge, of course.

Full Attendance Sought For Food Handlers School

Every effort is being made to assure a full attendance at the school for food handlers in Delta county to be held in the city hall council chambers here from 2 to 4 p. m., and 8 to 10 p. m., Tuesday and Wednesday, May 3 and 4, under the co-sponsorship of the Escanaba Junior Chamber of Commerce and Delta-Menominee health department.

The school will be preceded at 7:30 Monday evening, May 2, by a meeting in the council chambers for operators and owners of food and drink establishments in the county. This session is being held for the purpose of spurring interest in the school and pointing out the importance of having as many employees as possible complete the short course.

Letters with self-addressed return postcards enclosed have been sent to the owners and proprietors of the 137 food and drink establishments in Delta county.

Use Films, Slides
In the letters, it is explained that Dr. W. K. Haskell and T. D. Laughton, specialists in food handling, will be the instructors. They are men of vast experience in this type of work. They will instruct in bacteriology, communicable diseases, medical zoology, foods, disinfection, sterilization, personal hygiene and sanitation. Instruction will be by the use of films, slides and lectures and subjects will be presented in an interesting manner and easily understood.

William A. Hendrickson, of Escanaba, sanitarian for the Delta-Menominee Health department, stressed that the school hours have been arranged to permit persons working on both day and night shifts to attend. Those on the night shift may attend from 2 to 4, and those on the day shift may attend from 8 to 10 in the evening.

Food handlers cards and badges will be issued to all those who attend classes both days.
"The food handlers' school will be of great value to the employer, employee and public in general," Hendrickson emphasized.

No Charge
All sanitarians in the U. P. Department of Agriculture inspectors, state liquor control of-

ISABELLA

Isabella, Mich.—Rev. and Mrs. Nile Byers of Hiawatha were recent visitors at the home of Mr. and Mrs. Jonas Sjogren.

Mrs. Ruth Holmquist and son, Howard, returned to Marquette after an Easter holiday visit with Mr. and Mrs. Harvey Sundin.

Mr. and Mrs. Albert Gouin of Green Bay spent the weekend with Mrs. Gouin's parents, Mr. and Mrs. Felix Cayemborg.

Miss Olive McClintchy left Sunday night for Chicago where she visited with her sister, Mrs. Wallace Johnston and her niece, Judith Johnston, of Tweed, Ontario, Canada.

Marigold Sundin, Arlene Bonifas, Marie Cayemborg, Grace Wood and Coral Green drove to Munising Easter Sunday for a visit at the Pete O'Neil home.

Elmer Hall, Jr., has arrived from Detroit for a spring vacation visit with his parents.

Mr. and Mrs. Bruce Smith and son, Terry, of Grayling, Mich., spent Easter with Mrs. Smith's parents, Mr. and Mrs. William Bonifas.

Pete Forslund, Harvey Sundin and Emmanuel Moberg left Monday for Roscommon, Mich., where they are now employed.

Mr. and Mrs. Alfred Erickson and Mr. and Mrs. John Erickson have moved their house trailers to Roscommon where they will be employed by the Straits Construction Co.

Miss Betty Landis has left for a few days' visit in Chicago.

James Nepper is recovering from his recent illness.

Mr. and Mrs. William Bonifas have gone to Rhinelander and Woodruff, Wis., to visit at the home of Mr. and Mrs. Ted Bonifas.

PLUS CO-HIT!
LOUIS ARMSTRONG
DE CORDOVA - PATRICK
NEW ORLEANS

officials and other officials in the U. P. have been invited to attend, he said. Posters have been sent to all food establishments signifying their cooperation in the school.

Dr. W. C. Harrison, director of the Delta-Menominee Health department, urges all proprietors to cooperate to the fullest extent.

"Good health is recognized as the country's greatest asset and proper sanitation in food handling can go a long way toward preventing the spread of communicable diseases," he said. "This four-hour course is designed to familiarize food handlers with the highest standards of sanitation and cleanliness in preparing food for public consumption."

"There is no charge whatsoever for the course. It is being sponsored by our department and the Junior Chamber of Commerce for the benefit of the public."

605 W

Shirley McCash and Joseph Berube Wed

Munising—The marriage of Miss Shirley McCash, daughter of Mrs. Edith McCash, of Cheboygan, and Staff Sergeant Joseph O. Berube, son of Mrs. Lenore Berube, Munising, was performed at 9 a. m. Monday in the Sacred Heart church. The Rev. Conall Berube, of Bayfield, Wis., a brother of the bridegroom, officiated. Attending the couple were Miss Frances Berube, sister of the bridegroom, and Lawrence Duffeny.

Sgt. Berube, who has served six years in the air force is stationed in Bermuda. He will return there May 2 and Mrs. Berube will follow later.

Teen-Age Club Elects Officers

Munising—Members of the recently organized East Munising Teen-Age club have elected the following officers: Irene Lukoski, president; Naomi Rotz, vice-president; Marion Wilderspin, treasurer.

Lutheran Churches To Hold Institute

Munising—A church school parents and teachers institute sponsored by Lutheran churches of the central part of the Peninsula will be held Sunday at the Eden Lutheran church here. Flor-

ence H. Towne, of Chicago, will be the discussion leader. The first meeting will be held at 3:30 Sunday afternoon. At 5:30 a fellowship supper will be served by the Munising Ladies' Aid, and that will be followed by the evening meeting.

Cutter Will Open Munising Harbor

Munising—In an effort to open Munising bay for better navigation this spring the U. S. Coast Guard is sending a cutter here. The request for the "breaker" was sent by the Chamber of Commerce and the Coast Guard replied that a boat would be sent. It was expected here Wednesday.

MUNISING BRIEFS

Temperatures here this past week ranged from a high of 55 to a low of 23 degrees. Weather Observer Albert Oas has reported. The average reading for the week was 37.4.

The Lutheran Men's club held an outing Thursday night at Hilding Carlson's cottage on Au-Trair river.

Pfc Gerald Dufour left Wednesday for Omaha, Neb., after spending a furlough here with his mother, Mrs. F. L. Dufour.

Edward Kusmirek left Wednesday to return to Louisville, Ky., following a visit here with his mother.

Thirteen months and six days are required to hatch turtle eggs.

CORNELL

Easter Program

Cornell, Mich.—The Easter program presented Sunday at the Cornell church was as follows: Opening Hymn, "Lead Me to Calvary" by congregation. Prayer—Rev. Gerald Bowen. Responsive Reading—Rev. K. J. Hammar.

My Own Welcome—Brien Blixt. I Can Say It—Karen Blixt. Garden Greeting—Linda Olson. Ethel Olson, Sharon Artley, Bow White and Wendell Blixt. Rejoice and Be Glad—Caroline Carlson.

Piano Solo—Bob South. Joy, Hope and Peace—Shirley Anderson, Annette Swanson and Connie Blixt.

My Wish—Clarence Olson. Song by the younger group. Easter color—John Knaut. Accordion solo—Annette Swanson.

Breaking of Bread—Juanita Carlson and Yvonne Gamache. Old Rugged Cross—Connie Blixt.

At the Feet of Jesus—Beverly Blixt. Song by the older group. Presentation of Easter lily to Grandma Nelson by Caroline Carlson in behalf of Sunday school.

Remarks—Rev. Bowen.

Remarks—Rev. K. J. Hammar. Song by the congregation and benediction.

Personals

Mr. and Mrs. Everett Ring and daughter Marjell have moved to Cornell from Little Suamico, Wis. They are building a new home here.

Mr. and Mrs. Alfred Dahl jr., motored to Butte Des Morts, Wis., to spend the Easter holidays with her parents, Mr. and Mrs. Clarence Benedict.

Among out-of-town persons attending Easter services in Cornell were John Carlson, Grandma Nelson, Mrs. Anna Harrod and Mrs. Earl Hammar of Escanaba and Mrs. Harry Blixt of Danforth.

Mrs. Ray Schultz and son of Milwaukee arrived Sunday for a visit with Mrs. Schultz's parents, Mr. and Mrs. Clarence Sandborn of Groes.

Mr. and Mrs. Ed Schmit and daughter Karen of Zion, Ill., spent the past weekend with her parents, Mr. and Mrs. August Lundgaard.

Mr. and Mrs. F. Shaffer of Pomona, Calif., are visiting at the home of their daughter, Mrs. Oral Thompson.

Mrs. Ed Wight has been confined to her home for the past two weeks with the flu. The Sunday school children are giving a candy sale at the South store Saturday.

WHAT A THRILL TO LOOK AT A Surf-Clean WASH!

It even smells cleaner than "Soap & Water Clean"

Yes, Indeed—it's **Surf-Clean!**

—Because no other washing product contains Surf's

Dirt-Removing Ingredient!

BURY your nose in a real Surf Clean wash. Smell that clean odor it has. Look at it, too, and see how the white clothes are white—the colored clothes bright.

Surf licks any dirt in your heaviest, dirtiest wash—and in any kind of water, no matter how hard. Surf suds come up instantly, and how those suds do last. No soap scum to yellow or gray white clothes or dull pretty colors. Surf licks dirty soap scum in any kind of water. Try Surf.

DISHES COME SPARKLING CLEAN WITHOUT WIPING!

St. Nicholas Couples Will
Visit Native Land, Belgium

St. Nicholas—Mr. and Mrs. Adolph Lippens and Mr. and Mrs. Rene Verbrugghe, well known residents of the St. Nicholas community, are planning a two months' visit in their native land, Belgium, and other European countries this summer.

The two couples will travel together, motoring from St. Nicholas to Detroit, where they will board a Trans-Atlantic Airlines plane for New York, and leave from there for Brussels on a Pan-American World Airways plane. They will leave the first of June and return July 25.

The trip to Belgium will be the second for Mr. Lippens and Mr. Verbrugghe but the first for other members of the party.

Mr. Lippens came to Michigan with his parents in March of 1913 and returned to Belgium in 1924 to claim Sibilla LaFant as his bride and bring her back to this country in October of that year. He has a brother, Raymond, and his wife has two sisters living in Belgium and they will visit with them this summer and with many other family relatives.

Fought in Belgium
Mr. Verbrugghe who also came to Michigan in 1913 returned to Belgium as a member of the United States armed forces in

World War I. His relatives include three brothers, one he has not seen in 36 years. Mrs. Verbrugghe, who was Cecile DeBacker, first left Belgium in 1915, and spent four years in England, before she came to the United States. She lived with her sister, Mrs. Leon Cafemeyer, for two years prior to her marriage to Mr. Verbrugghe. Her family in Belgium includes a sister and two brothers and she also has a sister in France.

The couples plan to visit extensively in Belgium and will also spend some time at Lourdes, France, and in Germany and Holland.

Youth Groups
On Jefferson
PTA Program

Bluebirds, Camp Fire Girls and Cub Scouts presented the program at the April meeting of the Jefferson Parent-Teacher association held last evening at the school.

The program opened with a song, "Easter Bonnet" by the Bluebird group of which Mrs. Russell Kent is leader, and Mrs. James Bulger, assistant leader. Carol Coplan was the Easter Bunny in the charming number. Wahanka Camp Fire Girls, Mrs. Arthur Guzzonato, leader, and Mrs. Vincent Dambrosio and Mrs. William Dolan, assistants, gave a playlet and Jeanette Johnston, president of the group, thanked the Jefferson PTA for the cooperation extended during the year.

Nine members of Pack 422, Don Anderson, Richard Gasman, Eugene Kuehl, Jimmie Johnson, Robert Peterson, David Eldred, Franklyn Olson, Jerry McMartin and Steve Nault, were graduated into Scouting at ceremonies during which the ceremonial board was used. Pat Gasman is Cubmaster of the Pack and Paul Bureau, his assistant. Ed Kott, Scoutmaster and Rudolph Jehn of Nahma presented the Cubs with the awards earned during the year. Three Den Chiefs, Arnold Johnson, Donald Swanson and Ronnie Joselyn, received their stripes during the ceremony.

Following the program lunch was served to the children, with Mrs. John Roman, chairman of the hostess committee, assisted by Mrs. Waldo Wick and Mrs. Robert Jones. Mrs. Catherine Locke's fifth grade received the room award.

Easter Service
At Stonington

The Easter services at Trinity Lutheran church in Stonington, postponed one week, will be held Sunday, April 24, at 2:30. Rev. L. R. Lund will speak on the theme "Christ Is Risen" and the Young People's Chorus will sing special Easter music. A memorial roll will be presented and the annual offering for the Christian schools will be taken. Lunch will be served by Trinity Ladies' Aid following the services.

Social - Club

Rebekah Meeting
Phoebe Rebekah Lodge No. 179 will hold a regular meeting Friday evening, April 22, at the I. O. O. F. hall, North 10th street beginning at 8 o'clock. The social hour following the business session will be in charge of Miss Mabel Bowers as chairman assisted by Mmes. Rose Anderson, Margaret Baird and Emma Lindley. A large attendance is desired.

Pantry Sale Friday
A pantry sale, sponsored by St. Stephen's Guild, will be held at Bonnell's Friday beginning at 1 p. m. Mrs. Everett Cole and Mrs. E. P. Sawyer are in charge.

St. Ann's Club
St. Ann's Social club will meet at Grenier's hall at 8:15 Friday evening. Cards will follow the business meeting with a high score award at each table and lunch will be served. Mrs. A. D. LaBranche, chairman, Mrs. Alex St. Cyr, assisting chairman, and their committee are in charge.

We-Ta-Ma-Check
We-Ta-Ma-Check Campfire girls, 17 of them, enjoyed a hike and outdoor cooking at Pioneer Trail park. The girls demonstrated their cooking ability toward achievement of the trail seeker's rank.

Mrs. Norman Lindquist was the guardian, and Mrs. Clarence Zerb, assistant guardian. The committee in charge consisted of Susan Gaultin, Janet Carlson and Dorothy Gingrass.

Mrs. Natilo Is
Elected Head Of
St. Joseph Club

Mrs. J. A. Natilo was elected president of St. Joseph's Home and School association at the annual business meeting held yesterday afternoon at the school club rooms.

Associate officers named for the coming year are: Mrs. Denis McGinn, first vice president; Mrs. John Bissell, second vice president; Mrs. Ernest Rudolph, secretary; Mrs. Mae Brazeau, treasurer.

Installation will take place at the May meeting. Committees for the year will be appointed later. The program of the afternoon consisted of a demonstration by the St. Joseph high school chemistry class under the direction of Sister Mary Adelia.

Catholic Students
Will Give Variety
Show On April 24

Graduates of St. Joseph Catholic high school will present a variety program in William Bonifas auditorium on April 24.

There will be a matinee performance at 1:30 p. m., Thursday and another at 9:30 a. m., Friday for students. Adults may attend either of the advance performances.

The first portion of the program is entitled "Hail, Mary, Full of Grace" and will begin with a greeting to the audience by graduates, and a rendition of "Pomp and Circumstance." Tribute to Our Heavenly Mother will follow with Bernadette Fazer playing the part of the Blessed Virgin. The Ave Maria of Schubert will form the musical background. The final selection on this part will be a dedication to Mary with Joseph Sullivan as leader. Music will be the "On This Day" by Lambillotte.

The musical part of the program will consist of selections by students under direction of Sister Mary Cedella, S.S.N.D. Gerald Gleich will play Chopin's Waltz in B Flat, and Barbara Skopp will be heard in Si Tu Savais by Balfe and Romance by Romberg. Louise LeBlanc will perform the Agnus Dei of Bizet and Il Bacio by Ardi.

Herbert's Badinage will be played by Gerald Gleich and Barbara Skopp will sing Giannina Mia by Friml and My Hero by Strauss, and later Louise LeBlanc will be heard in Friml's Indian Love Call and Cadman's At Dawning.

"The last rehearsal" in the theme of "a little nonsense now and then is relished by the best of men" will be presented by the students as the final section of the variety program. Characters in the dramatic sketch are Paul Laviolette as the general, Dick Eis as the spy, Gerald Gleich as the manager, Gordon Hemes as the ash man, James Marsieck as the carpenter and Joseph Sullivan as the orderly.

Richard Oslund, Phillip LaGault, Jerome Gonsheki and John Rademacher are in charge of stage properties and Richard Oslund, Robert Bergeon, Thomas Dishneau, Thomas Millington and James Ottensman of lighting.

Graduates this year will be the following: John Baker, Beverly Bryson, Mary Therese DeGrand, Michael Derkos, Richard Eis, Helen Engdahl, Bernadette Fazer, Beverly Gafner, Gerald Gleich, Jerome Gonsheki, Geanne Gravelle,

Mary Anne Grenier, Mary Lou Grenier, Gerald Harris, Gordon Hemes, Richard Lahay, Charles Lancour, Paul Laviolette, Louise LaBlanc, Phillip LeGault, James Marhick, Rosemary Massard, Richard Mayrand, Raymond Menard, Norbert Murphy, Richard Pouliot, William Priester, John Rademacher, Theresa Richer, Barbara Skopp, Joseph Sullivan, Valaire Viau, and Theresa Weber.

Ev. Covenant
Conference Here
April 27-May 1

The 63d annual meeting of the Covenant Ministerial association and Great Lakes Conference will be held at the Ev. Covenant church in Escanaba April 27-May 1, Rev. John P. Anderson, host pastor, announced today. The meeting will be attended by 75 pastors and delegates of parishes in the Upper Peninsula and a part of northern Wisconsin.

The Covenant Women's Auxiliary also will meet in Escanaba at this time, the conferences scheduled for the morning and afternoon of Friday, April 29 at Immanuel Lutheran church. The Ministerial association meetings will be held Wednesday and Thursday, April 27-28 and the Great Lakes conference sessions will open Thursday evening. The complete program of the meeting will be announced later.

Helen Stenson
Is Speaker At
Club Meeting

"Education's problem is the great problem of our world today. How can we learn to get along together?" This represents the thought to be found behind the present trends in education according to Miss Helen Stenson, who spoke on that subject yesterday before the Escanaba Woman's Club. Miss Stenson is the grade supervisor in the city schools.

Introducing her subject, she exhibited the film on the special education rooms in Escanaba, pointing out how these children are helped to live normal, happy lives in spite of physical handicaps.

Miss Stenson went on to say that the new trend, coming to the fore in all countries and especially in America, is to have special education for every child, not just the exceptional. To accomplish this, we will have to have more teachers with smaller classes. Denmark is experimenting with 15 students per teacher. The teacher can then know the child

and parents well and adapt the teaching to the child's needs and abilities.

Human Relationships

Along with this trend there follows naturally the psychological approach to teaching, rather than the subject matter approach. The child is taught what that particular child will have to know, rather than being held to an absolute standard of attainment.

"Human relationships must be stressed in a world where cooperation and consideration between individuals and between nations have become of prime importance," Miss Stenson pointed out. She listed five needs for the development of a wholesome personality:

- (1) The individual must have biological equilibrium, by which is meant physical well-being—enough sleep, good food, etc.
- (2) He must have ego satisfaction, experiencing success at least 50 per cent of the time.
- (3) He must have status, must feel wanted and needed. In other words, he must have "face".
- (4) The wholesome personality must know affection. It is easier for people and nations to be "good" if they feel they are loved.
- (5) He must know and appreciate beauty in his surroundings.

Closes With Quotation
Miss Stenson concluded with a quotation from President Woolley of Mt. Holyoke College: "The educated person should be the kindest person, the most honorable and the most considerate; all education which does not soften your heart and smooth your spirit, all education that you keep to yourself, is waste, just waste; learning is a torch which must be passed on and on, quickly, to light the world."

Births

Mr. and Mrs. Raymond Morin, 427 South 14th street, are the parents of a son, weighing seven pounds and two ounces, born April 19 at 3:17 p. m. at St. Francis hospital.

FIRE DESTROYES FARM BUILDING

Live Coals Start Grass Fire Near Brampton

Fire, originating from a grass fire, destroyed a combination tool shop and garage and a barn on the Pete Sandstrom farm near Brampton Wednesday afternoon.

The blaze was brought under control by conservation department workers and the crew was successful in saving the residence on the farm.

One of the buildings destroyed was a tool shed which contained a number of motor driven wood working tools including band saw, table saw and planer, in addition to many hand tools.

Conservation Officer Robert Bezzi of Masonville said the grass fire was started by live coals, wind-whipped from ashes placed outside the Florence Bresaw home by a daughter of Mrs. Bresaw. The ashes were placed in the usual disposal place but apparently wind blew some of the coals into nearby grass.

Using farmers tractors the conservation workers plowed fire lanes while others stopped flames from spreading to the Sandstrom home. About 9 acres of land was burned over.

The Gladstone pumper responded to a call for assistance but the blaze was under control by the time they reached the scene. The Perkins fire department and conservation department fire fighters had the blaze under control.

Bill Mosier of Rapid River, Route 1, was arrested for burning brush without a permit and paid \$5 fine and suppression costs of \$5.90 upon arraignment before Justice of Peace O. C. Estenson.

Another farmer by the name of Kaukola from North Delta violated provisions of his burning permit and was brought to court and fined \$25.00 which was suspended and ordered to pay costs of impressed labor amounting to \$24.20.

Every fire which gets out of control in the area is being checked and if evidence of any law violation is found prosecution will follow, officers state.

BRIEFLY TOLD

Activities Committee—A meeting of the Activities committee of the Young People's society of the Mission Covenant church will be held tonight after the social meeting of the Young People's. The chairman urges all members to be present.

Grass Fire—The fire department was called to the Flooring Plant location yesterday to extinguish a grass fire.

Evening Guild—The Evening Service Guild of the Memorial Methodist church is meeting at 8 o'clock tonight at the home of Mrs. Robert Ryde, 818 Wisconsin avenue. Mrs. Mason Meyer is the assisting hostess.

Novena Service—Novena services are to be conducted in All Saints' Catholic church at 7 o'clock Friday evening.

Prayer Meeting—A prayer meeting for members of the Free Methodist congregation is to be held at the Stanley Pyke home in Rapid River at 8 o'clock tonight.

S. S. Workers—Sunday school

CITY BRIEFS

Mr. and Mrs. Axel Berglund left Wednesday night for Redwood City, Calif., for an indefinite stay with members of their family.

Mrs. Keith Campbell left today for her home in Winter Park, Fla., after spending a week visiting with her parents, Mr. and Mrs. Axel Berglund.

Hagie Quarnstrom, County School Commissioner left today for Traverse City, Mich., where he will attend a meeting of the Michigan Rural Teachers. He was accompanied by his mother, Mrs. Fred Quarnstrom, who will visit for several days with her daughter and son-in-law, Mr. and Mrs. Ed Hanson in Manistec, Mich.

Mr. and Mrs. Louis Hillwart have returned from Superior and Duluth where they visited relatives for the past week. They were accompanied here by their niece, Patty Jo Peck, who will be their guest for the next few weeks.

Mr. and Mrs. Wm. Young and his aunt, Mrs. Marie Frederickson have returned to their home in Chicago after spending the Easter weekend visiting at the home of Mr. Young's parents, Mr. and Mrs. Wm. Young, sr. 1220 Delta avenue.

Mrs. F. J. Miller has returned to her home here after spending the winter visiting with her son-in-law and daughter, Mr. and Mrs. Gene Dayton, at Flint. She was accompanied here by Mrs. Dayton who will visit for a time.

Mrs. L. J. Smith returned Tuesday night from a two-weeks visit with her son-in-law and daughter, Mr. and Mrs. C. E. Thomas in Rockford, Ill., and her sister in Chicago.

Mr. and Mrs. Thomas Lee of Norfolk, Va., are the parents of a son, Thomas Francis, born on Sunday April 17. The baby weighed 7 pounds and 10½ ounces at birth. Mrs. Lee is the former Marilyn Johnson, daughter of Mrs. Barbara Johnson Byrnes.

The condition of Mrs. Frank Rivers who is a patient at St. Francis hospital, is slightly improved.

Mr. and Mrs. Harold Nelson and son David and Mrs. Julia Lindgren have returned to their home, 1116 Michigan avenue, after spending the past 12 days visiting relatives in Princeton, Geneseo, Chicago and Glenview, Ill.

Renold Anderson of Manistec, Mich., is spending several days visiting in Chicago.

Mrs. Ross Davis left Wednesday by motor for a several days visit in Detroit with her sisters. She was accompanied by her son S/Sgt. Gene (Duke) Davis who is reporting for reassignment at Selridge Field, Mt. Clemens, Mich., and her father, Al Lewis, who has been visiting here for the past month and who returned to his home in Yale, Mich.

First Lt. Robert Schram and his

workers of the Free Methodist church will meet in the parsonage at Masonville at 8 o'clock Friday evening.

CARD OF THANKS

We wish to express our heartfelt thanks for the kindness and sympathy extended to us at the time of our recent bereavement, the death of Charles Sigfrids.

Particularly are we grateful to those who sent floral bouquets, to Rev. Bertil Friberg for his consoling words, those who offered autos for the services and to all others who by word or deed aided us at this time. The memory of those kind acts always will remain with us.

Signed:
Mr. Simon Sigfrids and Family

brother Bill have returned to Chicago after spending the weekend visiting here with their parents, Mr. and Mrs. Fred Schram. Lt. Schram is in the Chemical Warfare department of the U. S. Army.

Mr. and Mrs. Edmund Young of Kalamazoo, Mich., are spending the week visiting with his parents, Mr. and Mrs. William Young, 1220 Delta avenue.

Yacht Club Having Party for Ladies

The Gladstone Yacht club is having another Ladies' Night this evening at the clubhouse at the foot of Tenth street.

There will be a program of music by the Barber Shop chorus of Escanaba under the direction of Sam Ham.

A small lunch will be served by the men with Frank Stenac as head chef.

SOCIAL

Showers

Mrs. Paul Cowen of Minneapolis was honored at a pink and blue shower held Monday evening at the home of her parents, Mr. and Mrs. Ed Leroux on Superior avenue.

Games furnished the evening's diversion. In five hundred Mrs. Clarence Closs and Mrs. Pete Guimond were the winners, in 500 Mrs. Francis Cannon and Mrs. Boyd Swanson while in another game the winners were Gladys Dubord of Escanaba and Mrs. Fred Terrien, city. A special award went to Mrs. Albert Willette.

Mrs. Cowen received a large number of useful and pretty gifts.

Baseball Meeting On Friday Evening

A meeting of players wishing to try out for places on the Gladstone Indians baseball team will be held Friday evening at 8 o'clock in the Legion hall. In addition to players all interested persons are invited to attend.

Home accidents killed 33,000 persons and injured 5,000,000 more during 1946, in the United States alone.

Have You Got a Copy of "A Coach and His Boys"

- It's the story of athletics in Gladstone, for the past 25 years.
 - It contains pictures of 26 football teams, 25 basketball teams, several track teams.
 - It includes the records of these teams, and a summary of highlights of the 25 seasons.
 - It pays a tribute to Coach Eldon R. Keil and the work he has done in Gladstone.
- You'll Like It Now . . . You'll Treasure It in Years To Come!
- You may secure such a book at The Delta Reporter Office, or by ordering it from **George Mathison Gladstone, Michigan**
- All mail orders will be filled promptly. The attractive book sells for only \$1.00

Smear Banquet To Be Held On Sunday

A banquet which will climax the annual Holy Name Society smear tournament is to be held Sunday evening in All Saints' parish hall.

The dinner will be served at 5:30 o'clock with members of the two lowest scoring teams in charge.

At the conclusion of the evening sound films will be shown by the Army recruiting service. Following the dinner prizes are to be awarded to the three high scoring teams which were captained by Charles DeMenter, John DeMenter and Carlton Pickard. There also is to be a booby prize for the cellar team which was captained by Francis Rabitoy.

On the kitchen committee for the evening is Francis Rabitoy, Rene Maskart, Jim Sinclair, Al Maskart, Roy LaCrosse, Emil Sirola, Roland DeMars and Arm-and Ducheny.

Card Party to Be Given by Ensemble

A card party is to be held at Gladstone high school on the evening of Thursday May 12 under the auspices of the Girls' Ensemble. The party is one of many projects which the group will sponsor in the near future to raise funds to finance their trip to Chicago and the Music Festival.

Persons wishing to play are asked to contact any member of the ensemble. Lunch will be served during the evening.

Mr. and Mrs. Axel Berglund

CARD OF THANKS

We wish to express our thanks to our many friends and relatives who so pleasantly surprised us on Sunday evening at the Mission Covenant church. This will be one of our sweetest memories we will cherish and take to California with us.

Mr. and Mrs. Axel Berglund

DAILY PRESS BLDG.
111 Cedar StreetUSSR Was Caught
Off Guard, Says
Former Russ Officer

The meaning of the well known phrase "eternal vigilance is the price of liberty" was impressively explained at the meeting of the Manistique Rotary Club by Prof. Andrei Lobanov-Rostovski, professor of history at the University of Michigan, who was guest speaker at the postponed meeting Wednesday.

Prof. Lobanov-Rostovski was an officer in the Russian army at the time the Tsarist regime was overthrown and was an eye witness to the succession of events that led to the rise of Bolshevism and the present Stalin government.

He stated that there was general satisfaction among the Russian people when Czar Nicholas was deposed and it was generally felt that the country would take on a republican form of government, patterned after that of the U. S. A., but through clever propaganda planned by Lenin and Trotsky and a series of events engineered by them whereby law and order became non-existent and money came to have no value, the country became the easy prey of the Bolsheviks.

At that, he explained, it took Lenin about nine months to bring about the change.

War, the speaker explained, had ravaged a large section of the country. Millions of people, refugees from their usual environment, were living under straitened circumstances. Lenin, through crafty manipulation, placed agitators in strategic positions. These agitators used the well known technique of the reds everywhere—stirring unrest and making glowing promises; that never could be kept. Counter propaganda, he said was futile.

Eventually, he explained, the two contending forces—one supported by the Red army and the other by the White army, were engaged in a life and death struggle. The Red army controlled the industrial regions of the country and the source of supplies and also had the advantage of being united. The opposition was disorganized and poorly supplied. The result is history.

The break between Lenin and Trotsky came as a result of their views with reference to the farm populations. Trotsky sought to have them organized as a dominant party in the country. Lenin classed the farmers as capitalists and as such brought about their collectivization and dispossession. Stalin succeeded Lenin and has carried out his policies to a certain degree although certain drastic changes have been effected.

The speaker, scheduled to give an address at the junior high

school in the evening, was introduced by Charles Folio, supervisor of the Upper Peninsula area University of Michigan Extension service.

Local Potato Crop
Moving Rapidly

Potatoes are moving out rapidly and it is expected the Commodity Credit Corporation will not need to take over 10 more cars as outside dealers are now offering more than support price in some cases. Norman Stauffer, County AAA chairman announces.

It is expected that the department of agriculture will put a wheat acreage allotment in effect for wheat to be harvested in 1950. Farmers who expect to seed either this fall or next spring are requested to get in touch with their committeemen at once, also inform them the number of acres they harvested in 1945, 1946, 1947 and 1948, and what they expect to plant in 1950.

ROCK

Rock, Mich.—Mr. and Mrs. John Selmi have returned from Detroit where they have been employed during the winter.

Mrs. William Russell of Osier was admitted to St. Francis hospital on Monday.

Mr. and Mrs. Victor Niemi and Mr. and Mrs. Leonard Kaukola of Treenary were visitors at the home of Mr. and Mrs. Arvid Mustonen on Monday.

John Niemi has returned home after being confined as a patient at St. Francis hospital for several weeks with a sprained neck.

SCHAFFER

Schaffer, Mich.—Theresa LeClaire has returned to Chicago following the Easter holiday with her parents, Mr. and Mrs. Alphonse LeClaire.

Mr. and Mrs. Melton Viau and family returned home Monday following a weeks visit with relatives in Chicago.

Men who were nine feet tall and birds which weighed 500 pounds were among the things to interest scientific explorers in 1948.

DAILY PRESS BLDG.
111 Cedar StreetFloyd Sample Elected
Chairman Of Schoolcraft
Board Of Supervisors

Floyd Sample, supervisor of Thompson township, was elected chairman of the Schoolcraft county board of supervisors when that body met and reorganized Wednesday morning. The vote was 7 to 6 in his favor, the minority voting for Agner Dehlin, last year's chairman.

These elections have been characterized by narrow majorities in the past several years, last year's election being a switchover by one vote in favor of Dehlin and the year before that by one vote in favor of Len Carley.

The changeover resulted in a drastic change in committee chairman appointments. The committees, the first named of which are chairmen, follow:

Finance Committee—William W. Davidson, Ovid Swisher, William Sellman, Bert C. Furst, William A. Berger, Wells Bowers and John Nessman.

Building & Grounds Committee—William Sellman, William Popour, Bert C. Furst, John Nessman and William A. Berger.

Hospital Committee—George Stephens, Agner Dehlin, William Popour, John Nessman and Walter Burns.

Audit Committee—William A. Berger, Wells Bowers and Ovid Swisher.

Airport Committee—William Popour, William Sellman, George Stephens, Agner Dehlin, Walter Burns and Wells Bowers.

Equalization Committee—John Nessman, William W. Davidson, William Sellman, George Stephens and Agner Dehlin.

Alger-Schoolcraft Health Unit—Wells Bowers, Bert C. Furst and William A. Berger.

Abstract Committee—Herbert Burns, William W. Davidson and Agner Dehlin.

County Agricultural Committee—Ovid Swisher, Agner Dehlin, William Popour, Herbert Burns and William W. Davidson.

Poor & Welfare Committee—Walter Burns, George Stephens,

John Nessman, Herbert Burns and William A. Berger.

County Road Committee—Ovid Swisher, William W. Davidson, William Popour, Bert C. Furst and Wells Bowers.

Conservation Committee—Bert C. Furst, William Sellman and Walter Burns.

Educational Committee—Agner Dehlin, George Stephens, Herbert Burns, Walter Burns and William W. Davidson.

OBITUARY

DAVID BARBEAU

Funeral services will be held Friday morning at 8 o'clock at St. Francis de Sales Catholic church for David Barbeau, who died Sunday at Sault Ste. Marie. The Rev. Fr. B. J. P. Scheyers will conduct the services and burial will be in Fairview cemetery.

WILLIAM H. BORLAND

Rites were held at the graveside at Fairview cemetery Monday afternoon for William H. Borland, a resident of Gould City, who died Sunday morning at the Wendland Convalescent Home. The Rev. Paul Sobel conducted the rites.

Tired Kidneys
Often Bring
Sleepless Nights

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Worthy Matrons
And Patrons Of
OES Are Honored

At an occasion made gay by its charming appointments and glorified food and memorable by a well planned and presented program, Ida Chapter Order of Eastern Star honored its past Worthy Matrons and Worthy Patrons, at the Masonic hall Tuesday evening.

The party began with a turkey dinner served by a committee of OES members. The Easter motif dominated the decorative scheme with spring flowers, Easter eggs, miniature top hats and dolls at-tired in Easter parade costume giving the festive touch. There were also special favors for each of the past matrons and patrons present.

Mrs. Grace McDonald, present Worthy Matron welcomed the guests.

Ian Winn, present worthy patron, as toastmaster, called the roll with each of honored guests responding, with either short talks reminiscent of the past or with bits of verse appropriate to the occasion. A final gesture was a tribute, and a gift for Mrs. Ida MacLaurion, one of the two charter members of the chapter still surviving. An original poem by Mrs. Dorothy Shipman, in tribute to all past worthy matrons and patrons was read at the table.

The following was then presented: Piano Solo, Marjean Creager. Piano Solo, Maurice Creager. Tap Dancing, Gail Lundstrom and Ann Weigal. Piano Solo, Jean Carlson. Reading, Mrs. William Norton. Accordion Solo, Janet Dixoner. Sing-song, led by Ed Jewell.

COMING — Oak Theatre
Monday April 25—On the Stage
VARIETIES OF 1949Fire Department
Called Wednesday
To Dredgrec Home

A short in the wiring leading to a radio is believed to have been the cause of a fire at the home of Mrs. Claudia Driedric, 126 Main street about 7:30 Wednesday morning.

Awakened by the acrid smell of burning cloth, Mrs. Driedric investigated and found the back of

the davenport in the living room afire. The alarm was turned in and the fire was out in a few minutes. The davenport was ruined as were also a window shade and curtain. There was also considerable damage to the room from smoke.

The department spent several hours Tuesday afternoon fighting a grass fire at the Joseph Hoholik farm in Thompson where the flames spread over a wide area and threatened to sweep into a wooded area near the creek which crosses the farm. The fire started when a small rubbish fire near the house got out of control. Another call went to the Len

Lindstrom property on Cherry and Potter streets. The fire was put out before there was any serious fire threat.

The department also stood by while heavy grass and rubbish on the east river bank went up in smoke. This blaze, believed to have been started from neglected fires left by smelt fishermen burned for many hours. Dense clouds of smoke arose when a pile of discarded batteries caught fire. Kept under strict control the fire was allowed to cover a wide area.

About one man in 20 and one woman in 100 is color-blind in varying degree.

John Groth Does It Again!

Grand Slam Homer
In 8th Gives Tigers
5-2 Win Over Chisox

Detroit, April 21 (P)—Rookie Johnny Groth echoes the feelings of Detroit's baseball fans.

"Frankly," says he, "I am as surprised as anyone else at my luck. How long can this last?"

The Tiger centerfielder's comment was made in the Detroit dressing room yesterday after he walloped a grand slam homer to beat the Chicago White Sox 5-2.

The circuit clout was Groth's third in his first two days as a Tiger regular.

A glance at the record book showed the 22-year-old Chicago resident was off to one of the best starts in major league history.

In two days action against White Sox pitching, he chalked up this record:

Five hits in seven official trips to the plate.

Seven runs driven in, including all five of the Tigers' runs yesterday.

Fielder's Choice

A 714 batting average. Groth had three for four yesterday and might have been credited with a fourth hit. In the third inning with Aaron Robinson on first, Groth hit a towering fly that fell in short right field.

First Baseman Gordon Goldsberry of the White Sox lost the ball in the sun and it dropped safely. But Goldsberry rushed over and tagged Robinson, who was standing on first. Thus it was recorded as a fielder's choice and cost Groth a hit.

Groth came up with a couple of sparkling defensive plays before he broke up the game with his four-run blast.

In the second inning with runners on second and first and none out, he scooped up a drive off the bat of White Sox Second Baseman Cass Michaels and rifled it home, preventing a run at that point.

A Fielding Gem

The next batter, Catcher Joe Tipton, doubled in two runs, however, for all the White Sox scoring of the day.

In the sixth inning White Sox Left Fielder Gus Zernial drove a long ball to deep center. It looked good for extra bases, but Groth tucked it and caught it over his shoulder while running at top speed away from the infielder.

Groth's lousy clouting was a boon to Tiger Pitcher Virgil Trucks, as it was to Hal Newhouser on opening day.

Trucks had a three-bitter going into the last of the eighth but trailed 2-1 before Groth came through.

This is how that big eighth inning got underway:

With one away, Vic Wertz was passed and Eddie Lake ran for him. Hoot Evers singled to left, sending Lake to second. Both moved up on a wild pitch. Robinson ran the count to 3 and 2 and drilled a long drive, foul by only a few feet, into the right field stands before he was walked, loading the bases.

White Sox Manager Jack Onslow conferred with Pitcher Rudy Gumpert and his infielders before deciding to take a chance and let Gumpert pitch to Groth.

That Did It

The first two were wide. Then came the 2-0 pitch, a fast ball, and Groth gave it everything he had. The ball hit in the left field stands about 380 feet from home plate and the Tigers had themselves another victory.

Manager Red Rolfe has undecided whether to throw Left-hander Ted Grey (6-2) or Right-hander Lou Kretlow (2-1) against the White Sox today in the finale of the three game series. Howard Judson (4-5) was named to work for the White Sox.

Jug Girard Is Wed

Marianna, Fla., April 21 (P)—Earl (Jug) Girard, a back for the Green Bay Packers professional football team, and Miss Joan Leddy, 21, of Kaukauna, Wis., were married yesterday.

Girard, who gave his age as 22, is here training with the Dayton, Ohio, baseball team of the Cleveland Indians farm system. He gave his address as Marinette, Wis.

WHITE SOX DOUBLE KILLING—Johnny Lipon of the Detroit Tigers is forced at second as Chicago White Sox second baseman Cass Michaels, tossed to first to double Tiger George Kell. Floyd Baker, White Sox 3rd baseman, fielded Kell's grounder and threw to Michaels. Action occurred in first inning of game at Detroit. (April 19). (Ap Wirephoto)

Looks Like Another Slow Start For Sox; A's Win Again, 3-2

By JACK HAND

(Associated Press Sports Writer)

An oldtimer did the honors for the New York Yankees in their 3-0 second straight win over Washington. Tommy Henrich, one of the few genuine Yankees still able to play, snapped a scoreless duel between Vic Raschi and Paul Calvert with a fourth-inning homer. It was his second of the year, his first accounting for the Yankees' opening day success.

Everybody said the Boston Red Sox couldn't possibly get away as slowly as last season, but they're giving it a good try. Joe McCarthy's Sox were beaten by the Philadelphia A's for the second straight day, 3-2 in 10 innings.

Bob Rush Pitches 3-Hitter As Cubs Blank Bucs, 4-0

Chicago, April 21 (P)—Bob Rush, the Chicago Cubs youngest pitcher, who won only five games and lost 11 in his first Major League season in 1948, showed promise yesterday of becoming the club's hurling ace in his sophomore year.

The 23 year old right hander gave the Pittsburgh Pirates "the Rush act" as he let them down with three singles and no runs. The Cubs went on a four-run rampage in the fifth to breeze to a 4 to 0 decision.

Rush, who appeared in 36 games in his first season with the Cubs last year, yesterday fulfilling the promise he made in his last exhibition performance when he defeated the St. Louis Cardinals 4 to 0 in Houston, Tex., April 12. Only difference in his successive stints was that he gave up four singles to the Cards.

All three Pittsburgh hits came after two were out. Rush struck out seven and walked six but the latter involved no startling wild streaks since no two were issued in the same inning.

Another unusual twist to Rush's performance was that he gave the Cubs credit for having kept the Pirates from an earned run through 18 innings. The one scored off Dutch Leonard in Tuesday's opener was unearned.

ESCANABA DAILY PRESS SPORTS

"It Seems To Me"

BY JIM WARD

Baseball notes: Just by way of acquainting you with a prominent Chicago Cub, not Cub scout as some critics have been wont to call members of the Chicago National League team, here are some notes on Bob Rush. . . He's the fellow who let the Bucs down with three hits in a 4-0 shutout yesterday. . . He looks like he's in for a big sophomore year.

Rush is a six-foot four-inch native of Battle Creek, Mich. who didn't break into organized baseball until he was discharged from military service in 1947. . . The Cubs signed him up before he was inducted because he pitched three no-hit games (two in a row) with a South Bend, Ind., high school team. . . In 1947, he won six and lost one for Des Moines, a Cub farm, and won nine and lost seven for Nashville.

He hurled in 36 games for the Cubs as a rookie last year and struck out 72, issued 37 passes and had an earned run average of 3.92. . . Nothing sensational. . . But Cub bigwigs feel Rush is coming into his own this season. . . He whiffed seven Pirates yesterday and all of them looked at a called third strike.

Art Houtteman may be back in action next month. . . He shagged flies before the Detroit opener but said his legs were still a bit shaky after his car accident in Lakeland, Fla., last month in which he suffered a skull fracture and other injuries. . . He's looking for the doctor's approval to start playing.

Cuff notes: We see by the papers where Curly Lambeau is hobnobbing with the Green Bay Press Gazette Turnbills and Hollywood Motion Picture Eugene Pallettes in Hollywood. . . The occasion was the wedding of Andrew B. Turnbill, general manager of the Press Gazette, and Mrs. Jessie M. Whalen, of Los Angeles.

The Rainbow League meets Sunday in Gladstone, but there is no new development on the Escanaba Bear front. . . We can't see any point in Loretto, Vulcan and Norway consolidating for one entry in the NWM league. . . It would be okeh for the cream of the crop but what about the score or more other young fellows in the three communities who like to play baseball. . . Weren't they doing all right in the Tri-County?

Bill Radue, Edward Johnson, Frank Taylor, Glenn Fleetwood, Frank Rodman and Joseph St. Juliana, along with John Duca, Jr., are Hermansville baseball bigwigs this season. . . Radue is treasurer; Johnson is gate collector and the others form the ballground committee. . . John Zimmerman says he'll have something to report soon on the Nahma entry in the Bay de Noc Baseball league.

Rainbow Loop Meeting In Gladstone Sunday

Gladstone, April 21—The second 1948 meeting of the Michigan Rainbow Baseball league will be held at 2 Sunday afternoon at the Legion hall in Gladstone.

When the first meeting was held at Tremay, six clubs—Chatham, Diorite, Gladstone, Gwinn, Manistique and Tremay—indicated their intentions of fielding Rainbow league teams this summer. Since that meeting, Negau, nee, also a member of the league in 1947—voted to retain its franchise in the league.

Eskys Must Rebuild Infield And Find Pitching Strength

Faced with the task of rebuilding practically the entire infield and developing pitching talent, the Escanaba high school baseball squad is working outdoors regularly these days in preparation for home-and-home series with Marquette, Ishpeming, Gwinn and others in the making.

Lost from last year's aggregation are such dependable players as Dickie Lough, the best shortstop prospect in some time here; Ron Johnson, first base; Jim Deane, second base; Bob Kolb, third base; Ray Berndt, No. 1 hurler, and Walter Flath, centerfielder and cleanup man.

Ron Sedenquist, veteran catcher, is one of only four lettermen returning to bolster Coach Jim Rousman's 1949 Eskymo baseball squad.

And Gilbert Prevost is the only pitcher available from the 1948 aggregation since big Irving Mathews chose to enlist for service in the United States Army. Mathews showed up with a good fast ball and was developing control and was being relied on for the No. 1 pitching slot this season.

Prevost was No. 3 hurler last season behind Berndt and Mathews, respectively, and is expected to give a good account of himself this spring. Berndt's shoes will be hard to fill. In addition to being a capable moundsman, he was an all-around excellent performer.

Besides Sedenquist and Prevost, other lettermen on the squad are Gerald Dufour and Edward Millette, both infielders. Among those who saw service last season are Ray Oseen, Joe Friedgen, Dick Barron, Bud Webber and Duane Brown.

The complete squad of 23 follows: Seniors—Prevost, Millette, Sedenquist, Dufour, Oseen, Friedgen, Clinton Monson, Clarence Benoit, Jack Slapp, Wayne Dugener, Barron; juniors—Robert Flath, Howard Larson, John Cousineau, Gordon Packard, Eugene Hulett, Jim Prokos, Weber and Brown; sophomores—Tom Schwalbach, Jim Nyquist, Bob St. Jacques, Louis Herbst, Jerome

Stannard, Roland McMillie, Charles Olson, Bob Paterick and Dick Johnson. Dick Desmond is student manager.

Cloverland Cagers Feled By Farrell

Members of the Cloverland Commercial college basketball team, winner of the U. P. invitation and Gold Medal tournaments in Class B this past season, were feted by their college president, E. J. Farrell, at a dinner in the Marine room of the House of Ludington last night.

Gifts were presented by him to Phil Cochrane, player-manager-coach, and to Elroy Zimmerman for being the most outstanding player on the team. In return, the players presented Mr. Farrell a plaque for his interest and co-operation on their behalf.

Cochrane announced that each member of the team will receive a gold belt buckle as a gift from the Cloverland student body. They have been ordered but did not arrive in time for distribution last night.

Those attending were Harold Pearson, Harold O'Connell, Joe Friedgen, Dick Pryal, Donald Lemke, Phil Cochrane, Elroy Zimmerman, John Zimmerman, Marvin Erickson, Dick Zimmerman, Ted Fuzer, Edward Sulett, Roland "Red" Witt, E. J. Farrell and Jim Ward, of the Escanaba Daily Press.

Bark River Nine Practices Sunday

The Bark River baseball team, champion of the Tri-County league, will hold its first practice session of the season at 2 Sunday afternoon, Leo Krauf, manager, announces. Thereafter, they will practice Tuesday and Thursday evenings at 6:30.

Stannard, Roland McMillie, Charles Olson, Bob Paterick and Dick Johnson. Dick Desmond is student manager.

Louis Shopping for Talent in Detroit

Detroit, April 21 (P)—Promoter Joe Louis was back in the old home town today shopping for talent.

The retired heavyweight champion, as head of the newly organized International Boxing club, intends to put on a show at an early date.

Afterwards he'll go to the west coast and then to Manila and Guam for exhibition bouts May 3 and 7.

JUNIOR SOFTBALL

Taking Don Pelletier's word as a criterion, the Peoples Bar junior softball team are going to be tough to beat this season. It will begin practice at 2 Sunday afternoon on the Wells diamond, and all youngsters 15 years old and under are urged to try out.

BRONCOS TIP BALL STATE

Muncie, Ind., April 21 (P)—Western Michigan humbled Ball State ball team 7 to 1 here yesterday.

The New 49 PONTIAC

Pontiac—Division of General Motors

The Most Beautiful Thing on Wheels!

We are, of course, very proud and happy that people everywhere are calling the new Pontiac "the most beautiful thing on wheels." Pontiac is a brilliantly beautiful automobile—as handsome a car as ever rolled over America's streets and highways.

But Pontiac's real beauty cannot be fully appreciated until you drive the car yourself. For the new Pontiac is beautifully engineered, too—to give you a completely different kind of automobile performance that simply must be experienced in order to be believed.

Pontiac for 1949 offers a totally new kind of ride—a ride as smooth and

U.P. Extension Workers Gather In Meeting Here

Michigan State College extension workers of the Upper Peninsula gathered in Escanaba today for their April meeting, which will be devoted largely to a discussion of plans for agricultural exhibits at the 1949 U. P. State Fair.

These sessions began at 1:30 o'clock this afternoon in the city hall, when recommendations were considered. Tonight those recommendations will be presented to the U. P. State Fair board of directors in meeting at the House of Lumbermen.

The fair board is composed of Harry Brackett, Escanaba, chairman; Victor Lemmer, Ironwood; William Kell, Wilson; John MacInnes, Sault Ste. Marie; and Walter Corey, Munising.

Attending the meeting of extension workers today in Escanaba will be the following:

Russ Horwood, extension supervisor; D. L. Clannahan, crops specialist; Roy Skog, forestry; Miss Dorothy Erler, assistant state 4-H club leader; and Miss Victoria Brust, home demonstration agent at large, all of Marquette.

County Agents C. E. Gunderson, Gogebic; K. J. Moilanen, Ontonagon; Bill Cargn, Houghton-Keweenaw; Fred Bickel, Baraga; Roland Kaven, Marquette; Art Otterbein, Iron; Frank Molinaire, Dickinson; Gail Bowers, Menominee; Clayton Reid, Schoolcraft-Alger; Art Markle, Luce-Mackinac; Lyle Abel, Chippewa; J. L. Heirman, Delta.

4-H County Agents Andy Bednar, Gogebic; Wally Keskatola, Ontonagon-Houghton-Keweenaw; Frank Degner, Baraga-Marquette; Frank Madaski, Iron; Lester Wolcott, Menominee; Fred Bernhardt, Schoolcraft-Alger; Karl Larson, Chippewa; Mel Nyquist, Delta.

Home Demonstration Agents Bernetta Kahbaka, Gogebic-Ontonagon; Ella Elvin, Baraga-Houghton; Jane Nord, Marquette; Marian Roberts, Dickinson; Mary Lou Muller, Menominee; Ingrid Tervonen, Chippewa.

FORD RIVER TWP. BOARD TO MEET

Water System Metering
To Be Discussed

Metering of the Ford River township water system will be the chief topic of discussion at the meeting of the township board at the Ford River hall 8:15 Saturday night.

Chester Feak, Ford River township supervisor, has issued an invitation to the 74 water customers to attend the meeting. A proposal to have the customers buy the meters outright, instead of paying a periodic meter rental charge, will be discussed.

Supervisor Feak said that Ford River township has expended about \$8,000 the past year for the drilling of a new well and other improvements to the water system. A new pump and pump-house also must be installed, and the financing of the project is a problem that now confronts the township board.

A proposal to give financial assistance to the Delta county road commission for the graveling of Ford River township roads also may come up for consideration at the meeting.

OBITUARY

VICTOR OHMAN

Funeral services for Victor Ohman, Escanaba, will be held at 2 p. m. Friday in the Degman funeral home with the Rev. L. R. Lund officiating. Burial will be in Lakeview cemetery.

U-M GOLFERS WIN

Ann Arbor, Mich., April 21 (AP)—Michigan posted a 30 to 6 win in golf over the University of Detroit yesterday. Only Sam Kocis and Leo Hauser won for the visitors. Kocis, a Wolverine, defeated Pete Elliott, and Hauser defeated Ray Iceberg.

The cog railway used on Mount Washington, N. H., was the world's first; it was completed in 1869.

Henry Hemes, 78, Dies This Morning After Long Illness

Henry Hemes, 78, a resident of Escanaba since 1888, died at 7 o'clock this morning after a long illness.

He was born in Lawrence Wyler, Luxemburg, October 10, 1870. Up to the time his health failed he was employed by the I. Stephenson Co.

He is survived by two brothers, Math and Frank, and one sister, Mrs. Nick (Cecelia) Thinner, of Escanaba, and several nieces and nephews.

Services will be held at St. Joseph's church at 9 Saturday morning. Rev. Fr. Patrick, O. F. M., officiating, and burial will be in Holy Cross cemetery. Friends of the family may call at the Allo funeral home beginning at 3 p. m. Friday.

The first ski club was organized in the United States at Berlin, N. H., in 1882.

Herman Fenske Held Here For Reckless, Hit And Run Driving

Herman Fenske of 418 South 14th street has been arrested by city police on a charge of reckless and hit and run driving.

Fenske hit a parked car owned by Ted Derouin of 320 South Seventh street in the 300 block of Seventh street at 9:23 p. m., last night. He swerved left, and damaged the front end of his own car and that of Derouin. Following the accident he went home, and was arrested there by city police.

Gets Summons As Result of Mishap

Gladstone, April 21 — Henry Brunette, of Escanaba, was given a state police summons for failing to stop at a stop sign as the result of an accident at 3:15 last night when his car collided with that driven by Edward Kalishek, of Carney.

Brunette was turning off a side road onto US-41 and Kalishek was driving north on US-41 when the mishap occurred. Vernon Brunette, son of the former, suffered minor injuries.

Inseminator Hired For Rock ABA Unit

Organization of a Rock Artificial Breeding association has been completed and Ed Walima of Rock is employed as inseminator and is now receiving training at Michigan State College in East Lansing, according to J. L. Heirman, county agricultural agent.

Walima has been at MSC since last Monday and will return this coming weekend. Following his return an effort will be made to start artificial breeding among herds of members in the Rock area as soon as possible. Walima will meet with the ABA directors early next week.

Additional members of the artificial breeding association continue to be signed up, and a few now belonging to the Escanaba ABA unit will transfer membership to the Rock association.

The Escanaba unit of the ABA has been successfully operating for more than a year. Equal success is anticipated for the association recently formed at Rock. The membership is expected to increase there and the services of the inseminator become more effective after rural telephone extensions are completed, permitting faster and easier communication between the members and the inseminator, who will have his headquarters in Rock.

crease there and the services of the inseminator become more effective after rural telephone extensions are completed, permit- ting faster and easier communi- cation between the members and the inseminator, who will have his headquarters in Rock.

Do FALSE TEETH Rock, Slide or Slip?

FASTEETH, an improved powder to be sprinkled on upper or lower plates, holds false teeth more firmly in place. Do not slide, slip or rock. No gummy, gooney, pasty taste or feeling. FASTEETH is alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug store.

DEODORANT PADS**

newer!
A clean break from old style deodorants. 5-Day Pads are circles of fabric saturated with refreshing, mild yet very effective deodorant. Just try them once and see!

easier!
Easy as pie to apply! Simply dab to armpits—and throw away. Each pad contains right amount. No guessing! You get even, smooth penetration instantly.

faster!
Goes into action instantly. Dries in seconds. Stops perspiration. Ends odor. No waiting for cream to absorb.

cleaner!
No need to scoop up messy cream. Nothing can smear on your clothes. Merely dab a pad to armpits—and banish underarm bugaboos.

more effective!
Contains more active anti-perspirant agent than leading brands tested—yet mild for skin. Kind to clothes. And a separate ingredient to prevent odor—something no other deodorant can claim.
